Officers of the Women of the Astoria Golf and Country club can hold an executive meeting on the fairways, if they wish, while enjoying a game of golf. Here are, from left, Mrs. Clyde Lee, secretary; Mrs. John Cederberg, president; and Mrs. Howard Burns, team captain watching Mrs. Arthur Anderson, treasurer, tee off.

Astoria Golf Club Women Organized for Fun of It

The Women of the Astoria Golf and Country club was organized in 1924, and since that time, with the exception of the depression and the turbulent war years, ending in 1946, it has taken an active part in golf and social activities. Presidents and team captains headed the women golfers and steered club events, but it was not until 1951-52 that the present formal structure was set up as an

organization with Mrs. John McGowan as president, upon the request of the board of directors of the golf club.

The club now has 60 members organized into classes of competition according to the golf handicaps. These women, with the assistance of non-golfing members plan and manage the social functions of the year for the club.

They sponsor a spring, and fall handicap tournament annually, and a championship tournament in mid-summer. They participate in the Oregon Women's Golf association,

and hold exchange tournaments with nearby golf club women who are not OWGA members. Every summer, they assist in hosting the popular Oregon Coast tournament held at the Astoria Golf and Country club in July, serving as hostess and maintaining a snack bar at the first tee, using any funds derived for the improvement of the clubhouse.

They meet the first Tuesday of the month for golf, lunch and bridge, often including a style show with their bridge luncheons. Their annual "Stagette", staged early in the fall is a riot of

fun for members as well as invited guests. And the little informative bulletin, "Here's How", is edited by one of the members.

They also promote dances, both formal and informal, during the year and other social functions to attract non-golfing members and do the decorating of the clubhouse for all these events.

Mrs. John Cederberg is president; Mrs. Howard Burns, team captain; Mrs. Clyde Lee secretary; Mrs. Arthur Anderson, treasurer; Mrs. Foster Blake and Mrs. Jorma Leinassar, social chairmen.

President Names Women Chairmen At Country Club

Mrs. John Cederberg, president of the Astoria Women's Golf association, called her first meeting Tuesday at the Astoria Golf and Country club to discuss golf plans and policies for the coming year.

Following the business agenda, Mrs. Cederberg named the following committee chairmen: Mrs. Frank Maize and Mrs. Ford Knutsen, OWGA directors; Mrs. Russell Klock, handicap chairman; Mrs. R. Morrison, putt-pot chairman; Mrs. Arthur Johanson, eclectic chairman; Mrs. Vernon Larsen, publicity. Golf co-ordinators are Mrs. Jay Hendrickson, Class A; Mrs. Carl Nyquist, Class B; Mrs. John Day, Class C.

Players awarded golf balls for December and January were the Mesdames Knutsen, Mervyn Eward and Clayton Morse, Class A; the Mesdames Klock, Howard Burns and Johanson, Class B; and the Mesdames Morrison, Charles Mooney and Day, Class C.

March 8 is the date set for the first of the bridge luncheons, which are held on the second Wednesdays of the month.

New Hat Styles To Be Featured

"Hats and St. Pat's" will be the theme for the first bridge luncheon of the new year for women of the Astoria Golf and Country club, to be held Wednesday at 12:30 p.m. at the clubhouse.

Bridge will be played following the showing of new spring hats at the luncheon, for which Mrs. Nicholas Zafiratos and Mrs. Jerry McCallister are co-chairmen. They ask that reservations be called in to the clubhouse or to them by noon Tuesday.

Women Golfers To Start Spring With Breakfast

A breakfast, heralding the opening of spring golf, will be an event for women of the Astoria Golf and Country club Tuesday at 9:30 a.m. at the clubhouse.

There will be a short business meeting over the coffee cups, and then nine-holes for those golf-minded.

Mrs. W. A. Ter Har and Mrs. Charles Mooney are chairmen of the golf game, and Mrs. John Cederberg, president, asked that reservations for the breakfast be called in to the clubhouse not later than Monday noon.

"It's not the SAME FACE"-but it's a GOOD FACE-that the Astoria Golf and Country Club will be showing it's members this year. A bit slow on the COUNT DOWN due to main LOUNGE RENOVATION but bound for a GREAT TAKE OFF as soon as it is completed, so be prepared to ORBIT, advises the crew at the CONTROLS!

AND WHO ARE THE CREW? The '67 President of the Astoria Golf & Country Club and its three new BOARD MEMBERS were introduced at that really SMASHING HOLIDAY PARTY way back in December, but to refresh your memory, Frank Maize holds the NUMBER ONE POSITION ON THIS YEAR'S TEAM and Tom Dandoz, Vern Davis and Jerry McCallister are the NEW RECRUITS. The rest of the team is: Vice-president, George Abrahamsen, Secretary, Jerry McCallister; Treasurer, Erling Orwick. Heading committees are; Don Edy, Greens; Tom Sandoz, Membership; George Abrahamsen, Handicaps; Tom Williams, House; Jerry McCallister, Social; Ev. McNeely, Caddy.

ON THE FEMININE SIDE, Mrs. John Cederberg is head of the women's activity group, and Mrs. Howard Burns is TEAM CAPTAIN for the golfers. Mrs. Foster Blake will again be chairman of the SOCIAL COMMITTEE along with Mrs. Jorma Leinassar. They plan to work in conjunction with the men's SOCIAL CHAIRMAN, Jerry McCallister, to furnish the greatest possible ENTERTAINMENT for EVERYONE. Mrs. Clyde Lee and Mrs. Arthur Anderson are Secretary and Treasurer respectively.

SCHEDULE FOR MARCH

- March 8 Women's Bridge Luncheon, Wednes. 12:30 P.M. Mrs. Jerry McCallister and Mrs. Nicholas Zafiratos, Chairman.
- 14 Women's Opening Breakfast (Start of 18 hole play)
- 16 Men's Stag Night (VERY SPECIAL)
- 24 Beginners golf lessons at 9:30 A.M. Will continue consecutive Tuesdays through April 14th. Intermediate lessons scheduled for April 14th.
- 24 High school classes
- 25 through April 7 - Qualify Men's Spring Handicap Tournament. Play begins April 8th. Matches MUST be played in one week--otherwise, game is forfeited--'sez Marlow!

There'll be a "WEARIN' O' THE GREEN" along with some exciting EASTER CREATIONS to tempt "milady's" fancy at the BRIDGE LUNCHEON Wednesday, so don't fail to be on deck for this FIRST SOCIAL EVENT, say the planners. Call reservations by Monday, the 6th.

Actually, the BIG NEWS should be the DECORATING AND REFURBISHING of the MAIN LOUNGE, but your editor can give you little information as to color, size or shape. It's all a BIG SECRET, with House Chairman Tom Williams IN THE KNOW with a competent interior decorator. The FLOORS are sanded and being refinished, and NEW CARPETING will be down in time for the bridge luncheon, March 8th. WALL COVERING, DRAPES, AND FURNISHINGS should be in place in early April--so plan to be on hand for the "UNVEILING."

MEANTIME, DOWN AT THE CLUB: That precious "SHOT" of long looked for SUNSHINE has put new life into the old course, and golfers have sprung up like mushrooms on tees and fairways--and on the 19 HOLE, we understand. Lew Renn is back to handle the situation with empty pockets--he says--but glowing tales of Vegas and waypoints south. He took assistant pro Kent Wright with him as (chaperone?) We're glad to have Kent back all in one piece. Lady Luck gave Marlow Quick the nod at the L A Open but turned her back from there on in. SUN STROKE? or just "TOO MANY" --strokes that is--or maybe Golf Clubs! At any rate, Marlow reports that three different clubs, all belonging to the same person, were turned in to the pro shop by three different players, following a certain foursome one SUNNY afternoon last week. Quite a RECORD for a POSTMASTER.

THE TRAVEL BUG could account for some of the QUIET we have observed about the Club premises these winter months, for the SUN SEEKERS have nearly matched the STAY-At Homes.

What's the THING about being Club President? One notes that President elect Frank

Maize, along with the Al Marshans, takes off for Borrego Springs and Mexico on the heels of his election, and Ex-president Mitchell TAKES TO THE AIR with such places as Tahiti and Australia in mind. It would appear either that the position involves ONE BIG HEAD-ACHE, or PAYS BIG DIVIDENDS! The Ford Knutsens are embarked on a similar Pacific Ocean flight, as is Mrs. Robert Jones, travelling with friends to far-away places.

CONDOLENCES to the Bill Van Dusens whose trip to Las Vegas was marred by a car theft. "they really took us--right down to our skins," says Bill. Wonder how he stood with the Van Dusen Insurance Agency! The Richard Paulsens had no such bad luck--they merely improved their GOLF games a bit.

The Oke Zatterlows are brown and bright-eyed after their trip to Palm Springs, Hamet and waypoints, and the Lawson Stevensons have glowing reports of their first visit to Maui. The Ed Niemis and Stan Bergstroms are about ready for SECONDS since they took their Hawaiian vacation in December.

The Frank Gillards are wintering in Palm Desert and Mrs. Wm. Manion and Mrs. Tony Bubnick are houseguests of Mrs. Gillard while the Captain takes his February "Bar" duty. This TRAVELONGUE will continue if you'll call in your itinerary for next month's report. (John Day seems to practically COMMUTE to San Diego these days, as do so many Bumble Bee personnel to Hawaii.)

HERE AT HOME folks are glad that the T. R. Williams didn't move any FARTHER south, and HAPPY that the Rodney Banks are moving CLOSER IN. Both couples will be playing from Surf Pines this year, the Williams having purchased the John Kendall home and the Banks with their plans to build. The Ed Niemis have also "switched", Astoria to Seaside, but they'll still be "in the fold."

THE CLUB WELCOMES NEW MEMBERS:

Regular Members, Ray Dreeszen, Northwest Natural Gas Co. Astoria; Dan Van Thiel, Pioneer National Title & Trust, Astoria; David Scoggin, Seaside, Oregon.
Non-Resident Members, Wm. Bailey, Surfside Estates, Ocean Park, Wn.; R. C. Holcomb, Surfside Estates, Ocean Park, Wn.; L. L. Potter, West Linn, Oregon.
Junior Members, C. Charles Gilbert, Seaside, Ore. ; Robert C. Maentz, Astoria.

GOLF REMINDERS:

The Board IS much concerned with the CART TRACKS made on the soft fairways during the rainy season, and Greens Chairman Don Edy is asking cart drivers to make a SPECIAL EFFORT to skirt soft areas as much as possible and avoid driving too close to the greens.

Practically NO CHANGES OF NOTE appear in this year's GOLF RULES except in the size and color of the little USGA guide book. See appendix for LOCAL RULES change.

HANDICAPS are being computed on the BEST TEN of the last twenty scores played, rather than TWENTY-FIVE, with a straight 85% being used in computing handicap. (This is said to be good news for the higher handicapper. Time will tell.)

The NEW PRACTICE area is nearly completed and will be ready to help you IMPROVE YOUR GAME at an early date.

Yours for BETTER GOLFING, and MUCH FUN,

Spring Millinery And Daffodils Brighten Party

Spring greeted the women of the Astoria Country club and their guests at their first bridge luncheon Wednesday. Bright daffodils mixed with plump pussy willows peeked out of perky vases which brightened the mantle and the tables around the club lounge.

After luncheon, the latest in spring millinery was modeled by a guest at each table.

At conclusion of bridge, Mrs. William Larson, Mrs. Will Walker and Mrs. E. H. Nelson won prizes.

Co-chairmen for the afternoon were Mrs. Nick Zafiratos and Mrs. Jerry McCallister.

Women Start Spring Tourney At Country Club

Typical March weather greeted the 37 women members of the Astoria Golf and Country club who turned out Tuesday for the opening breakfast to launch the new spring season.

President Mrs. John Cederberg called on Mrs. Foster Blake of the social committee who told of the plans being made for the social affairs of the coming year. In late spring an IRS party is planned followed by the ever popular luau. Later in the year a Roaring 20s, and, at the closing of the year, the President's Ball.

Marlow Quick, club pro, spoke to the group about the new rules for the 1967 season. He informed the members an annual trophy would be awarded to the most improved golfer of the year. This year's trophy was awarded to Mrs. Cederberg.

Mrs. Howard Burns, team captain, awarded golf balls for the month of February to the following players: Mrs. C. Morse and Mary Lerbeck, Mrs. R. Klock and Mrs. A. Johansen, Mrs. C. Mooney and Mrs. V. Larsen. March winners were Mrs. Morse, Mrs. H. Burns and Mrs. C. Mooney. Winter tournament winners were Mrs. Morse, Mrs. Klock and Mrs. Mooney.

All groups tee off first tee for Tuesday's play, Class A, between 9:45 a.m. and 10:10 a.m. with the following pairings: the Mesdames Barbey, Morse and D. Williams; Mogenson, Henningsgaard and Lerback; Hendrickson, Knutson and R. Williams; Eward, Ostrom and Horgan.

Class B 10:10 to 10:30, Cederberg, Larsen and Klock; Cellars, Kendred and Johanson; Hendrickson, Paulson, Burns and Rippet.

Class C, 10:30 to 10:50 Fulton, Halonen, Rafferty; Baier, Mooney and Stevenson; Tar Har, Morrison and Lee; Anderson, Banks and Day.

Class D will make own pairings.

All players are asked to notify one of her threesome if unable to play. Those not listed and wishing to play are asked to call the co-ordinator.

Pairings Posted For Country Club Women Golfers

The women of the Astoria Golf and Country club will tee off Tuesday morning with all groups playing off the first tee.

Pairings are as follows: 9:50 a.m., Mesdames T. Williams, D. Williams, G. Ostrom; 9:55, C. Morse, V. Mogenson and F. Maize; 10:00, J. Lerback, V. Horgan and B. Henningsgaard; 10:05, J. McCallister, A. Johansen and V. Larsen; 10:10, J. Cederberg, R. Hendrickson and C. Nyquist; 10:15, A. Cellars, R. Klock and Rippet; 10:20, J. Kindred and H. Burns; 10:25, A. Anderson, L. Stevenson and H. Halonen; 10:30, K. Banks, F. Rafferty and Mooney; 10:35, R. Morrison, W. TerHar and C. Lee.

Group D will make its own pairings. All members not able to play are asked to notify one of their threesome and those not listed who wish to play, to call the team captain.

APRIL 1967

Ferne Morse, Editor

So THE CALENDAR and a few "zaney" TV and radio announcers SALUTED March 21st as the FIRST DAY OF SPRING! But to the storm-weary golfer, WHO CARED that the daylight hours were ex-actly as long as the night? They were equally stormy too! Might as well point out there are only 279 SHOPPING DAYS UNTIL XMAS! It's the truth folks, but TAKE HEART there'll be a lot of sunny golf days IN BETWEEN, along with that ever welcome "May basket," DAYLIGHT SAVING HOURS.

A BIG THANK-YOU goes to the members of the club who have helped keep it alive under the somewhat trying conditions of the DECORATING INTERIM. The Mesdames McCallister and Zafiratos team proved that the "show could go on" inspite of obstacles, when they chairmened the March bridge luncheon. More than forty women turned out to lunch, play bridge and PARTICIPATE in the informal hat showing made possible through the Klara Alma Hat Shop. Fifty doughty males joined the "Pearl Hunt" for their stag night, many of whom voiced approval even though the entertainment was less "lusty" than on some occasions. The "Opening Breakfast" for women golfers on March 14th was well attended.

THERE'S A LOT OF FUN AND NONSENSE in the air about the "Spring Dance" slated for the 15th of April. The committee, headed by the H.J. Moores and Richard Delphias, are calling it "Spring Fling", and they invite all members and friends to "Fling into spring at the Spring Fling." At any rate, spring's the THING and you're invited. The event will the dual purpose of SHOWING OFF the newly decorated lounge, while CELEBRATING it's completion. Dancing will be from 9 'til 1, with a Dance Trio from Portland. The John Gizdaviches, Pat Lavises, Sam Yockeys, Ed. Fearys and Ade Kerbels complete the committee. INTERIOR DECORATOR Tom Edlefsen has assured the board that the lounge will be COMPLETE soon after the 10th of April, with drapes, floor coverings and furnishings all in place. He states emphatically that the predominating color being used is NOT "sky-blue pink" nor are there "pinkish polka dots" on the area rug! COME TO THE DANCE and see.

AND NOW, DOWN AT THE CLUB:

The Reece Williams and Rodney Banks are WELCOMED as regular MEMBERS. Mr. Williams is assistant manager of Port Docks and has moved here recently. Mrs. Reece left teammates with mouths agape when she drove the first green with TWO beautifully hit wood shots on her first 18 of the season. Her game will be watched with INTEREST, as LONG HITTERS amongst the women golfers here are few and far between. The Banks have "swithed" their non-resident membership to a regular one with the approval of the board and their friends as well.

Dr. Blair Henningsgaard made a FLYING TRIP to Washington D. C. recently. He took off Tuesday evening, shook hands with a few senators and "presidential hope-fuls", attended an American Medical meeting and nailed down the CHAIRMANSHIP of AMPAC. He was back on the job Thurs. AM--too bad he had to miss his Wednes. golf! Congratulations, anyway.

April

Have you noticed the EXTRA SPRING in Al Grimberg's step of late? He won his spurs for the coveted HOLE-IN-ONE club when he holed a five iron shot on the tenth tee on a bleak and blowy March day. HE'S MIGHTY PROUD, and justly so! He says he's seventy-five years old, has "played the game" for some forty years, and must have walked about SEVEN THOUSAND MILES in so doing. Congratulations, Al.

People are still "shuttling" to and from the "sun spots." Dr. Rex Baldwin is back after lapping up sunshine in Guadalajara. Says he's glad to be back and friends are glad to have him. The Graham Barbeys are still at the "desert"; the Merv Edwards have just returned from there. The Tom Sandoz are in Hawaii, as are the Larry Deans, for whom the trip will be a "first." Bill Daggett should have June back from Palm Springs in time to do her "committee stint" for the club. It sounds like great fun!

ON THE GOLF SIDE: NEW RULES concerning TEE TIME have been adopted by the board of directors and will go into effect immediately:

Women golfers MAY NOT tee off on the FIRST TEE between the hours of ten and two (Day-time of course) on Wednesday, Thursday or Saturday, and MAY NOT tee off before eleven o'clock on Sunday.

Men golfers MAY NOT tee off on either tee before one o'clock on Tuesday. (Could it be that some of the Male golfers are beginning to doubt the wisdom of having given that RIB in the FIRST PLACE

Ralph Dichter, "favorite son" club member, has really been "blowing up a storm" of late (to quote Pro Marlow Quick) He won the Feb. Pro Am with a 67, and tied at Riverside with a 68, scoring ONLY ONE bogey for the two games played. That shouldn't dampen his popularity with the PROS!

Several Astoria golfers--including the Pro and the President, plan to go to the Pro Am in Medford and Grants Pass, the 2nd, 3rd, and 4th of April.

TIMELY THINKING: Why not try this on your PIANO?

Tune:"HOW YA GONNA KEEP THEM DOWN ON THE FARM?"

How ya gonna keep 'em OFF OF THE COURSE

Once they have tried the GAME?

How ya gonna TELL 'EM, it's just for MEN FOLKS

When after all, they BEAR YOUR NAME!

How ya gonna keep 'em OFF THE FIRST TEE

From TEN o'clock 'til TWO

On Wednesdays, Thursdays, Saturdays,

And RULES FOR SUNDAY, too?

It's such a WEIGHTY PROBLEM--could this be the CLUE?

Do unto them as you'd "HAVE DONE",

And they'll "play ball" with you.

Unbiased!

McNeeleys, Dean Cawleys, Foster Blakes, Pat Lavises and Howard Burnses. Profits will be used to buy more lamps, carpeting, ash trays, and chairs to our new lounge room.

STAG NIGHT with a committee consisting of Kike Simonsen, Jim McCallister, Ed Niemi, Gene Knutsen, Flem Wilson and Jay Puffingburger really put on a wonderful clam dinner. They not only DUG the clams, but also cleaned and helped fry them. Heard a rumor that the little wife also had a hand in cleaning the clams - one said she cleaned about 150. Thanks, boys, for all your hard work for this successful clam bake - the colored T. V. is now paid for.

Gearhart HOME AND HOME Exchange played here, was attended by approximately ninety men, with Astoria coming out on top by a score of 91½ to Gearhart's 50½. Zelma served the breakfast and is being kept busy, but enjoying her new electric stove and fry pan which were purchased recently.

Congratulations to our Pro, Marlow Quick, for coming in fourth in the OPGA tournament held recently in Eugene.

First two-ball foursome was held Sunday, April 30th, followed by dedication of the new pro shop in honor of Charles Halderman. The new plaque ornates the pro shop.

Welcome to new members: Non-resident, Mrs. John Tayler, Beaverton and Mr. and Mrs. Edward Johnson and Mr. and Mrs. Hampton Allen of Portland. Regular membership, Mr. and Mrs. Bud Pruzyinsky of Astoria.

Speaking of new -

Pat Brantley is our new bartender.

Gordie Barrick of pro shop, new father of sweet little Holly Susan. Have you wondered why he looks so sleepy lately?

Mr. Roy Thompson, new greenskeeper, and his crew carrying on the good work of Mr. George Harvey on our course.

And speaking of Mr. Harvey, he has been hired to plant shrubs and trees on the south side of the club house. The only access to No. 10 tee now is around the back of the club house.

Jeff Leinassar performed a feat most of us are hoping for - A hole-in-one while he was playing a match with Lower Columbia at Aberdeen. Jeff is number one man on our Clatsop College team - we can see why!!

Your regular editor, Ferne Morse and her husband are soon returning from a trip to Spain and Portugal. So I'll just remain,

Ten-SHUN! FORWARD CHARGE! ! Smack into the OREGON COAST TOURNAMENT, with General J. Wilson Johnston, better known by his friends as "Willie", IN COMMAND of this ever popular annual MANEUVER, July 23rd through the 29th.

General Johnston, as USMALL COMMANDER of the event, points out that while the FRAMEWORK of the Tournament remains the same in many respects, from year to year, it is the PEOPLE who READ THE COMMOBUNCHES and MAN the WORK POSITIONS who give it COLOR AND ZING! He needs your help! Invitations are out, and although ACCEPTANCES will not be needed until after the 1st of June (to permit RETURNAL enclosures), "THE COAST" is already a GOING CONCERN.

TO MENTION A FEW COMMITTEES presently alerted, the George Abrahamsens and the E. V. McNeeleys will head up the HOSPITALITY committee, Ken Simonson will hold the purse strings as FINANCE chairman, and Jack Wiegardt will head the "selections" committee-PRIZES, that is! The Bob Lucas TRIO, which has proved so popular the past two years, will furnish music nightly, and it is GOOD NEWS that Mrs. Neil Sporre, in assisting Zelma Tilton, will again over-see both the DINING ROOM and the SNACK TENT.

WOMEN'S COMMITTEES are under the direction of Auxiliary President Mrs. Bea Cederberg who will have her assignments mapped out in early June. The SNACK TENT, REGISTRATION, LADIES' LUNCHEON, DECORATIONS and a host of other important areas of planning and "WORKLOAD" will be done by the WOMEN. That's right, FELLAS, you just can't get along WITHOUT 'EM!

AND NOW DOWN AT THE CLUB:

Intermittent SUNSHINE and SHOWERS failed to daunt the enthusiasm of the ninety-eight men and twenty women golfers who played in the ever popular MEMORIAL DAY Best-Ball competition Sunday. Frank Wright and Joe Balkkens won a DOUBLE VICTORY by successfully defending their last year's title while GARNERING the NUMBER ONE POSITION with a net of 63. Emmett Leinahan and Jim Curtis of Seattle tied with Tony Stramiello and Vernon Larson for SECOND place. (Jim Curtis attributes his success to his set of new "Elite" woods purchased from the Pro Shop. Jay Puffinburger and Chuck Gilbert; George Abrahamsen and Dr. Frank Rafferty; Dr. Blair Henningsgaard and Graham Barbey finished with a three way tie for FOURTH position.

IN THE WOMEN'S TEAMS Mrs. Bernard Hoffman and Mrs. C. Hunt Lewis tied with Mrs. J. P. Whittemore and Mrs. Tony Stramiello for a 36 LOW NET. Mrs. Rodney Banks and Mrs. R. C. Stetson came in THIRD with 37. The mother-daughter Barbey combination tied with Mrs. John Rippet and Mrs. James Kindred with 38s. Not a few of the players used the tournament as a "practice round" for the Sittin' Seagull event now under way in Gearhart.

They will give a sampling of their "wares" in a short entertainment feature. Mrs. Neil Sporre will be on hand to assist with the luncheon.

A SCHEDULED JUNE DANCE has been CANCELLED for lack of a CHAIRMAN. Committee complete and ready to go. Any VOLUNTEERS? If so, call Mrs. Foster Blake.

THE CLUB WELCOMES NEW MEMBERS:

| | |
|-------------------------|--|
| <u>Regular members:</u> | Robert Strutter, Stuart Cameron, Ernest Barrows, John McLoughlin, all of Astoria and vicinity, and Everett Nimmo of Seaside. |
| <u>Junior members:</u> | Fred Furas, James Furgeson and Gary Helmer |
| <u>Military member:</u> | Thomas Finnigan |
| <u>Non-resident:</u> | Dr. Edward Murphy and Fred Morgan, both of Portland. |

THE FURNISHING and REDECORATING PROJECT in the MAIN LOUNGE has been completed and the ROLE of the Astoria Golf and Country Club as the "ST. ANDREWS OF THE PACIFIC" has been STRENGTHENED and ENHANCED by Interior Decorator Tom Edelfson's CHOICE OF DECOR. Hand-some draperies of a deep roja background, embossed with colorful figures DEPICTING GOLFERS through the ages, furnish the theme as well as the COLOR SCHEME for the rest of the decorations. ANTIQUED roja red has replaced the white on the beamed ceilings, and Spanish moss colored noghyde has been used as a wall covering. Deep-piled and brilliantly colored AREA RUGS tie the "OLD" with the "NEW". But why say more? If you haven't already done so, COME SEE FOR YOURSELF and thank the decorator and the House Committee, chairmaned by T. R. Williams, for an interesting "CHANGE OF SCENE."

In the FINAL TUSSLE for the Spring Handicap CHAMPIONSHIP, Harry Swanson emerged WINNER by defeating Don Eby in a closely contested match. Jerry McCallister won from Rodney Banks in FIRST FLIGHT; Joe Bakkenson won from Greg Kershul in SECOND; Paul Dueber from Marv. Hille in THIRD; George Hediger from General W. Johnston in the FOURTH; Harvey Halonen from Ed Johann in the FIFTH; Ernie Garcia from Don Carey in the SIXTH; Dick Nelson from Oke Zatterlow in the SEVENTH. Tommy Williams won MEDALIST honors with a net 68 from a field of 56 players.

CONGRATULATIONS, MEN, but it's all WATER UNDER THE BRIDGE now for Pro Marlow Quick is urging ALL players to SIGN UP for the current CHAMPIONSHIP TOURNAMENT with QUALIFYING June 3rd to 6th inclusive. (Never a dull moment!)

Team captain, Mrs. Howard Burns, demonstrated how one can "crack the whip" and still keep up her golf when she won the CHAMPIONSHIP for the Spring Handicap Tournament by defeating Mrs. Arthur Anderson. In the FIRST FLIGHT, Mrs. Frank Maize won from Mrs. Jens Lerback; in the SECOND, Mrs. Carl Nyquist won from Mrs. Robert Morrison on the 20th hole; and the THIRD, Mrs. James Kindred fired a sultry ninety, the lowest score of her golf career, to defeat a close contender, Mrs. John Rippett.

Mrs. Charles Mooney won the CONSOLATION competition, and in the three way tie for MEDALIST, Mrs. Frank Maize won from Mrs. Jens Lerback and Mrs. Howard Burns.

BY THE WAY, Harold Jacob's name was omitted from last month's report on the CLAM DINNER committee. Some of his pals say it was because he broke too many clam shells in the DIPPING but others insist that he DUG the most, CLEANED the most, and ATE THE MOST. DESERVING, WE'D SAY.

At last month's bridge luncheon, for which Mrs. Neil Morfitt was chairman, Mrs. Molt Cockingham won the special prize, Mrs. George Erbe won high and Mrs. A. S. Bubnick, low.

ODDS 'N ENDS:

MANY A GOOD GOLFER is just wasting away, waiting to make use of the long promised PRACTICE AREA! Any new slant on it's progress?

SUMMER RULES ARE POSTED FOR ALL PLAYERS

ANNOUNCING NEW HOURS: The bar will be open at 10 AM and until dark on Saturday, Sunday and Holidays; on week days after 11.

JUNIORS: Watch the mails for a complete schedule of rules and program, being mailed to you shortly.

The half hour extension of the TEE-OFF TIME for women on Wednesday and Thursday is MUCH APPRECIATED. Remember the little "Down on the Farm" parody on keeping the women OFF OF THE COURSE? The final line Should have been: "The ONLY way to keep 'EM OFF of the course, IS - to throw away their SHOES!

And now, before signing off, MANY THANKS for the "ASSIST" given by Mrs. Arthur Johansen and Mrs. Howard Burns, in getting out "THE SHEET" LAST MONTH. Gertie ran down the news and Laina typed it while your editor just "lived it up" in FARAWAY places.

From her standpoint:

It's good to be back with a golf club in hand,
To tread the green fairways, the Best in the land!
But when chill coast winds blow, and there's RAIN AND MORE RAIN,
Methinks I'd go back to those CASTLES IN SPAIN!

AND NOW DOWN AT THE CLUB:

Ralph Dichter makes THE NEWS AGAIN. THIS TIME in a field of 59 players he fired a SIZZLING 84 to better his own COURSE RECORD while nailing down MEDALIST honors in the local CHAMPIONSHIP TOURNAMENT now under way. He boasted EIGHT BIRDS and NO BOGEYS--What a RECORD.

Young RICHIE SCHROEDER was medalist in the Smaller Colleges of the Northwest Golf Competition earlier this month, which qualified him for the MAIA in Davenport, Iowa. He failed to qualify for the finals but deserves a BIG HAND for a COVETED ACHIEVEMENT. Astoria Junior Golfers claimed THREE WINNERS at the OGA Junior Tournament in Salem, ending June 16. Tom Kindred won the 10th Flight and Todd Burns the 15th. Carey Quick was Runner-up in the Pee Wee Division. Bob Lane and Ron Wells qualified for CHAMPIONSHIP but lost in early round competition, as did Vic Horgan and Calvin Quick. Great going, boys!

Fro Marlow Quick reports a STRONG TURN OUT for Junior Golf Lessons. They started out with 59, grew to 45 strong the next week and topped the 50 mark last FRIDAY. Marlow approves of GETTING 'EM YOUNG!

NOTICE THAT GREEN SHEEN on the fairways? Don Edy reports that fertilizer mixed into the
water is being used for the first time to green up the fairways. It will add to the beauty
but cut down the roll--can't have EVERYTHING! The PRACTICE AREA is in the final "IPFY"
stage. "IPFY" help can be procured to clear "ball-gobbling" brush from the adjacent
hill sides, it will be ready for IMMEDIATE USE. It will mean no more "CROSS-COUNTRY"
practice on the back nine.

Excerpts from the current CIVIC THEATRE PLAYS starting in Gearhart this week-end, by

HEAVENLY DAZE! It was, and they were--all seven of them! Loosely translated that means GREAT TIME and WONDERFUL WEATHER at the Annual Coast Tournament just terminated. The upset of PERENNIAL CHAMPION Ralph Dichter--no, the world didn't end, but a PIECE OF THE SKY FELL, when young Bob Wolsborn sank that fateful five foot putt--the smooth running of General Johnston's "work set-up", and the strickly "Pro-hi" weather performance will put a ring around this Tournament as one to be REMEMBERED. To top it off, the General himself took the WINNING SPOT for SENIORS--was that quite KOSIER for the top host? SATISFYING, says he!

In addition to Chairman Johnston's enthusiastic expression of appreciation for the help of the MANY, MANY people who really MADE IT GO, Mrs. Bea Cedarberg, as president of the Women's Organization, commented on the outstanding work of the women who assisted. The SNACK BAR and the HORS D'OEUVRE CONTINGENT received special praise, since they both furnish FUNDS for the treasury of the Women's Organization. These funds are in turn used for NECESSITIES AND IMPROVEMENTS around the clubhouse. NICE GOING, GALS!

AND NOW DOWN AT THE CLUB:

THE CLUB WELCOMES NEW MEMBERS:

Junior: James Brecht, Astoria.

- 15 Finals for Championship (Women's)
- 16 Women's Exchange play at Forest Hills
- 20 Father-son Tournament
- 22 Women's Exchange play at Tillamook
- 28 Junior Tournament here.

SNIDE ASIDE: That August schedule looks like a report of the Coast Tournament in either the Oregonian or local paper IN REVERSE--no space for the MEN!

MORE ON THE FEM SIDE:

Mrs. Reece Williams and Mrs. A.S. Bubnick tied for MEDALIST HONORS in the CHAMPIONSHIP TOURNAMENT Tuesday with scores of 88. These QUALIFY both players for the PRO LADIES Tournament, along with Mrs. Wm. Manion, Mrs. Graham Barbey, Mrs. Frank Maize and Mrs. Blair Henningsgaard. Mrs. Graham Barbey, DEFENDING CHAMPION, did not compete for medalist. Her role as "Sylvia" in the Summer Theatre play "The Women" has kept her hopping, but she'll be on deck for her first match, Friday.

ASTORIA COUNTRY CLUB won the out of town TEAM PLAY TROPHY at the OWGA Tournament held here July 14th. Three local players, Mrs. Wm. Manion, Mrs. Clayton Morse, and Mrs. Ford Knutsen, by WINNING LOW NET scores in CHAMPIONSHIP, B and C divisions respectively, made the team play HONOR possible. Mrs. A. Green and Mrs. Eric Hoffman, non-resident members, were also winners.

OUTSTANDING IN NUMBERS, as well as PERFORMANCE, was the Ford Knutsen family at the Coast Tournament. Mother, father, two daughters and respective sons-in-law were entered. Mary Knutsen Swingle won the FIRST FLIGHT. Barbara Knutsen Canessa boasted no WIN but she had the enviable experience of defeating Molly Murphy Cronin, many times Coast Champion, on her second round match.

BACK TO THE MALE SIDE:

Arden Dichter may have temporarily LOST A FEW STARS from his crown in the Club Tournament, but he is still KING OF THE FLYING in his own club. He was first to fly off the ever-challenging Riskie Schroeder one up in the annual CHAMPIONS' TIP & AIN' EAT recently completed. The "Tiger" who got him in the Bob Wolstborn Course won the FIRST FLIGHT from Ed. Rippet on the 19th hole.

Harry Swenson won from Jack Wiegardt in the SECOND FLIGHT; Bob Layton from John Winters in the THIRD FLIGHT by default; Chuck Mooney from Fred Sandoz in the FOURTH FLIGHT; Glen Wilson from Harry Helmer in the FIFTH FLIGHT by default; Dick Nelson from Tony Scordello in the SIXTH FLIGHT; and Lawson Stevenson from Mike Heiliger by default in the SEVENTH.

Now, don't forget the FAIRER-SOL Tournament on the 20th. You have to start 'em young to make golfers of them these days!

NOGGIN NEEDLERS--Straight from the TOP SIDE

HOW TO:

EXPAND LOCKER SPACE in the men's locker room. There are five new playing members and no available lockers.

KEEP MEMBERS OUT of the area behind the pro shop. This is for employees (and golf equipment) ONLY.

DEAL WITH increasing number of non-resident applications for membership. They are presently frozen to allow time for a survey of the situation.

PROTECT main building and pro shop from NEEDLERS. New alarm systems are being investigated.

CUT DOWN on the loss of balls in the new practice area--while the golfer cuts down on his strokes?

Any one able to solve them all WITHOUT HALF TRYING please contact club president!

BUT SINCE THE SUN IS STILL SHINING, why not save those problems for a RAINY DAY!

Have fun in the sun, fish or see the Regatta,
But be sure to save time to go golfing "a-lotta!"

AUGUST could well be called OLD HOME MONTH at the Astoria Golf Club, what with EMPHASIS on JUNIOR GOLF EVENTS, and the Women's CHAMPIONSHIP TOURNAMENT following close on the heels of "THE COAST" and the RECORD NUMBER (an even dozen) NEW MEMBERS approved by the Board--this despite the LURE of the FISHING SEASON and the demands of the REGATTA. Since September shows no let up on golf activities, it might be ventured that GOLF IS REALLY HERE TO STAY!

THE CLUB WELCOMES NEW MEMBERS:

Regular Members:

Captain Joseph Brunneau and Captain Dale A. Dickinson, both Bar Pilots on the Columbia River; Thomas E. Edison, Circuit Court Judge; Frank Hoagland, Bumble Bee Seafoods; Henry Kaufman, Astoria Sports Center; and Walter Peterson and Merrill Ginn, all of Astoria. Vernon Cook and Harry Mills, Seaside; Robert Gohl, Hammond; W. Elmer Ramsey, Arch Cape; and Kenneth E. Wrenn, Gearhart.

Non Resident Memberships are temporarily closed pending a survey and possible change of by-laws.

AND NOW DOWN AT THE CLUB:

JUNE was just a little LATE THIS YEAR and thereby took a SECOND PLACE to a late summer and early fall flurry of WEDDING NUPTIALS in the families of Country Club members. CONGRATULATIONS AND BEST WISHES are extended to Mrs. Bea Cedarberg, president of the Women's Organization, who became the bride of C.J. McElhaney, August 19th. Bea will henceforth divide her interests between the Country Club and the Bay View Motel, but maintains she has enthusiasm enough to encompass both.

Susan, daughter of the Robert Larsons, and Patrick, son of the C.E. Hodges, chose the same date, August 26th, for their weddings. (Different hours, places, and SPOUSES, of course!) The Floyd Reiths and George Hedigers will be hosts for weddings in early September. FELICITATIONS to all concerned.

TOURNAMENT WISE:

Mrs. William Marion is again the CHAMPION of the women golfers, by winning from a new and enterprising challenger, Mrs. Reece Williams. Mrs. Blair Henningsgaard paved the way by defeating last year's champion, Mrs. Graham Barbey, in an early match. Mrs. Jay Hendrickson and Mrs. Clayton Morse are contenders for FIRST FLIGHT honors, with their match still pending; Mrs. John Rippetton won the SECOND FLIGHT, with Mrs. Howard Burns runner-up, and Mrs. Lawson Stevenson won the THIRD FLIGHT from Mrs. Clyde Lee. Mrs. T.R. Williams won the FOURTH FLIGHT. Mrs. Marion and Mrs. Reece Williams garnered MEDALIST HONORS after a play off with Mrs. A.S. Bubnick.

THE FIRST TEE strongly resembled a school PLAY GROUND Monday when some 40 Junior players gathered for their CLOSING TOURNAMENT under the direction of Mrs. Jerry McCallister and a score of MOTHERS. It was the FOUR STAR performance of the year and rated impressive TROPHIES at the AWARD party which followed. Cary Quick won LOW GROSS honors in the 18 hole Flight, and Tim Morgan LOW NET. Dennis Bartoldus had low gross in 9 hole Flight and John McGowan low net; Scott Reynolds was low scorer in the 4 hole group with Billy Henningsgaard, Craig Reynolds and Tim Daly tying for low net. Jeanie Nimmo and Victoria Daggatt won low gross and low net respectively in the 18 hole play for girls; Arlene Orwick and Jan Morgan in the 9 hole; and Cindy Stemper and Nancy Backenson in the 4 hole group. CONGRATULATIONS to the WINNERS, and CHEERS to the MOTHERS, who made the event POSSIBLE.

ALONG THE SAME LINE, the Adult-Junior competition was only a fair success, as OLD MAN JUPE put in an unexpected appearance on the Sunday it was scheduled. However, 21 TEAMS turned out for the FATHER-SON Third Annual Tournament. Dr. and Jeff Leinassar were low grosswinners, and Jerry and Tony Reynolds, low net. Father John Rippet and Son Mark Eby were closest to the pin on # 10. Ed. Niemi, father, had the longest drive on 18, and Dave Nikula won for the sons.

ENOUGH ON GOLF WINNERS and on to just "CHIT CHAT:"

The Tom Sandoz are back from their extended TOUR OF EUROPE, and the Stan Churches are about to TAKE OFF for a more limited one. Mick and Ginny Zafiratos have glowing tales to tell of their trip to Hawaii, where Mick was speaker on a national panel for the Division of Traffic Courts for the American Bar Association. Jay Pufinburger is relaxing after his demanding position as General Chairman of the Regatta and can soon get back to his golf in earnest. And DIDAKNOW? The Edgar Quinns are "EXPECTING?"--a foreign exchange student from Finland, that is!

BACK TO THE WINNERS, for one can't keep a GOOD MAN out of print. Rich Schroeder took THIRD PLACE at the Shadow Hills Invitational recently with a 70-71-77, and TIED FOR 2nd LOW GROSS at the Pro-Am the next day by firing an impressive 71. Pro Marlow Quick shot a 69 the same day to tie for SECOND PLACE. The Pro-Ladies Tournament? NO LUCK!

Your editor, having just finished persuing the forepart of the book on U.S. Golf Rules, which has to do with definitions, submits the following:

Twister Rips Links At Astoria

ASTORIA (Special) — The storm's aftermath was worse than the storm itself at Astoria Country Club. A destruction-wreaking twister made it so early Tuesday afternoon, coming on the heels of Monday night's heavy winds.

"We got by all right Monday night," Astoria CC pro Marlow Quick said. "But, the twister was something else. . . . It really tore up the golf course."

Fortunately, the blow missed both the clubhouse and the pro shop. But, it raised havoc elsewhere, uprooting more than a dozen large trees and ripping down a heavy protective screen in back of the women's eighth tee.

"I stood and watched the whole thing from the pro shop," Quick said. "It was hard to believe unless you saw it yourself. While I was watching, a roof was blown off a nearby house and sailed about 500 feet before it came down."

The twister lasted for about three minutes and caught greens superintendent Joe Schneider in the middle of the course.

"I was really scared," Schneider said later. When the twister hit, he laid on the ground and covered his head with his arms and hands as he

Trees Uprooted At Golf Course; Plains Farm Hit

A tornado roared through Sunset Beach, across the Astoria golf course and the Harold Turlay farm on Clatsop Plains Tuesday afternoon.

The tornado ripped down fences, tore up trees and threw branches for long distances, hurled broken glass from shattered windows for up to 150 feet, hurled sticks through windows and whirled debris up to 300 feet in the air.

But despite all this awesome disturbance, it injured no one.

Nine homes in Sunset Beach

suffered damage, but none was wrecked, as the tornado cut a swath about 200 feet wide through the community, from southwest to northeast.

A boathouse was ripped from its moorings as the twister crossed the lake. Several trees were stripped of branches or torn down as the storm swirled through the north end of the Astoria Country Club course, frightening assistant pro Joe Schneider, who was on the course, into falling flat on his face and covering his head with his hands.

Chicken House On Tracks

The twister dealt its final blow at the Harold Turlay place just east of Highway 101. It shattered two chimneys on the roof, ripped bits off the roof, tore two large trees to bits and threw branches around the yard, and hoisted into the air a 72-foot long chicken house and deposited it smack across the SP&S railway line.

Nine houses in Sunset Beach sustaining damage were those of Rex Stalcup, John Turrish, Lee Wilson, Russell Burkett, Charles Hudson, Pat Patterson, Sedwick, Horn and Pearn. The wrecked boathouse was owned by Harold Reynolds.

Sheriff Carl Bondietti said stopped clocks indicated the storm hit Sunset Beach at 1 p.m.

Bondietti, county commission Chairman Hiram Johnson and Roadmaster John Dooley directed rescue efforts. Debris was cleared away, glass wept off streets, and broken windows boarded up. Absent owners were called. Owners were not there at the Wilson, Patterson and Sedwick homes.

Debris from Sunset Beach was blown clear across the lake to the golf course, Bondietti reported.

PP&L workmen restored power to the area by 5 p.m.

Damage About \$75,000

Claude Crow saw the storm come northward up the lake as he stood in his yard in the northern end of Sunset Beach community. The twister hovered over the lake a few minutes, sucking up water, then moved west, just south of Sunset Beach, circled around to the west side of the town, and swept through it. Crow's home was north of the tornado path.

He saw the storm pulling up debris.

It had everything—garage, can lids, brush, trees, boards—flying around up there," Crow reported. "They went way up out of sight."

Mrs. Edith Atkins, who keeps the Sunset Beach store, escaped damage, as the storm circled behind the store.

She heard the tornado roaring as it swept by.

"At first I thought it was a train," she said.

From her front porch, Mrs. Atkins watched the twister pass through town, then hover over Sunset Lake for a period she estimated at four minutes.

"Then it took off and I was thankful to see it go," she said. Mrs. Atkins watched it cross Clatsop Plains, heading northeast in the direction of Astoria and finally vanish over the hills

east of Clatsop Plains.

Cloud Cone-Shaped

It was a con-shaped black cloud, she said, a typical tornado shape. Mrs. Atkins was reared in Montana, where they have such things.

Mr. and Mrs. John E. Turrish and a neighbor, Harry Traylor, were in the living room of the Turrish home.

"I thought the whole house was coming down," Turrish said.

The tornado went right over the neat and well-kept Turrish place. A substantial driftwood log from two houses away landed in the front yard. A stout fence across the back yard, made of heavy hatch covers gleaned on Clatsop Beach, was strewn about the yard along with bricks from a planter box. A rear window was ripped out and broken glass from it was strewn on the street, a good 150 feet away.

China Cupboard Falls

Mrs. Turrish's collection of old china, in a cupboard behind Traylor, came crashing down across his shoulders.

"I'd been saving those dishes for years," Mrs. Turrish mourned.

The Turrishes and Traylor estimated the tornado lasted 30 seconds.

"We could see boards flying across the street," Turrish said. "It took part of our garage, blew it across the street, and smashed the front porch of the Hudson home there."

One mail box was ripped off its post beside the street and landed nearly 200 feet away to the northwest. Most debris, however, landed in a northeasterly direction from its point of origin.

The Russell Birket mailbox blew 120 feet away and went through a neighbor's window.

At the Marvin Horn home down on the lake front Mrs. Horn was watching television and heard something hit the house. The front porch, she found, was torn away along with some small trees and front fence. A small stick came flying through the back porch window, after bouncing off the Horn's car in the back yard and leaving a substantial dent in it. The white house wall and white car were plastered gray with dirt and small debris blown by the wind.

Moved From Arkansas

"We moved from Arkansas back to Oregon a year ago," said Mrs. Horn. "That was tornado country and we never saw one there. And then in Oregon we get this."

Leonard Pearn, who worked for Anaconda Copper company in Butte, Mont., many years, has retired and lives in Sunset Beach. Mr. and Mrs. Pearn were both lying down and resting when the roar and rattle of the tornado swept down on their home.

"I saw a tree hit the side of the house," Pearn said. "It blew down our fence, knocked a post off the side porch, and mov-

ed our garage a foot and a half off its foundation."

The storm dealt its parting blow at the Harold Turlay place east of Highway 101. Trees were shattered—Mrs. Turlay saw a huge branch fly past the window—glass from a shattered window was blown the length of the garage, across the car. Two chimneys were reduced to piles of bricks on the roof.

Power wires went down as the storm picked up a 72-foot long chicken house in the Turlay yard, turned it at right angles, moved it 25 feet and dropped it squarely across the railway tracks.

Turlay estimated the tornado lasted one minute.

Tuesday's tornado over Sunset Beach started out as a half dozen spirals that looked like smoke, extending down from a big black cloud, Mrs. Clayton Morse of Astoria reported.

Mrs. Morse, Mrs. Ford Knutson and Mrs. Rodney Banks had just finished a round of golf and were on the 9th hole at Astoria Country club when an enormous hailstorm broke.

As the three took shelter, they noticed the half dozen spirals in the direction of Sunset Beach. At first it appeared Sunset Beach was on fire, Mrs. Morse said.

The spirals swirled northward, combined into one, and as it swept through Sunset Beach debris began to fill the sky from the houses hit by the twister.

Mrs. Morse said she watched the tornado for about five minutes as it swept across the lake, picked up a big tree on the golf course shore, sheared another tree, tore across the second green and created "much havoc" among the trees, then finally crossed the road to the Harold Turlay place.

Mrs. Morse said she went in to telephone to Astoria that the storm seemed headed in that direction.

The "bring-your-own-steak" gimmick really caught on, and the POINT PAR sweepstakes competition had a RECORD ENTRY of 51 players. It isn't every COUNTRY CLUB that can RECOUNT the VISITATION of an "honest-to-goodness" TORNADO as the terminal mark of more than a hundred days of nearly perfect golf weather! As always, it can be said--There's never a dull moment DOWN AT THE CLUB! More seriously, SPOKESMEN FOR THE CLUB deplore the loss of so many PROTECTIVE as well as Decorative trees, but are vocally thankful that the main buildings were not in the path of the TWISTER.

AND NOW ON TO PLEASANTER OBSERVATIONS:

THE CLUB WELCOMES NEW MEMBERS:

REGULAR: W. T. Palmrose, Seaside; Jack L. Keeler and Kenneth J. King, Gearhart; and Kenneth Gimre, Astoria. MILITARY: Lyndon Ontad, U. S. Coast Guard.

- 9th 2nd round Matches Women's Handicap Tournament
- 16th 3rd round Matches Women's Handicap Tournament

- Nov. 7th Finals and Consolation for Women's Fall Handicap Tournament.

ATTENTION: GUYS AND DOLLS:

Those ROARING TWENTIES will take over the Astoria Golf and Country Club during the week of Oct. 24th to 28th, for a "PACKAGE DEAL" which promises WALL-TO-WALL entertainment. It's the ANNUAL STAGETTE for the "dolls" on Tuesday, the 28th and the dance of the year (which overtones of those SWEET EASY DAYS) for everyone on Sat. 28th. THE STAGETTE, with a back drop of the TWENTIES furnished by the Dance Committee, promises AROUND-THE-CLOCK entertainment with golf, bridge, games and skits for your amusement--cocktails and dinner of course. Mrs. Frank Maize and Mrs. Vern Mogenson are general chairmen for the affair, and Mrs. Arthur Anderson is in charge of tickets.

THE ROARING TWENTIES DANCE COMMITTEE is headed by the Mrs. Daggatts and the Wm. Van Dusens. They suggest that you round up a racoon coat, "guys"; dig out Uncle Thad's favorite frock for LITTLE GIRL; and tell those "dolls" of yours to add at least three inches of FUR, FEATHERS OR FRINGE to their mini-skirts! You'll Have A Blast!

The big STAG last week was truly a "BIG STAG" according to Pro Marlow Quick. The "bring-your-own-steak" gimmick really caught on, and the POINT PAR sweepstakes competition had a RECORD ENTRY of 51 players. Disappointed deer hunters must have thrown in the sponge and joined up with the golfers to drown their sorrows. Fred Sandoz won the "Point" Tournament with a score of 42.

Rex Baldwin is BOASTING a new membership in the "75 Club". Nobody really believes him, however, for the stipulation in the club by laws reads "75 years OLD"--not YOUNG! Congratulations, Rex!

And speaking of CLUMS, the hard-to-crash MOLE-IN-ONE club opened its doors to Fred when he whammed a three iron shot straight into the cup on tough old NUMBER FOUR a couple of weeks ago. His Coast Guard buddies should be PROUD TO KNOW him, as were his accompanying players, Bob Lane and Ralph Furaus.

It has been FULL STROKE A.M. AD for the 57 players in the Men's Fall Handicap Tournament which will terminate Oct. 9th. Prizes will go to players having the lowest AGGREGATE NET for three declared scores. STROKE PLAY--in other wards.

By the way, the "WINTER RULES" sign which appeared on the first tee while a scorching sun plummeted the thermometer into the eighties, was not a PRE-MALLOTTEN PR. It was actually a measure taken to give the HARDED GOLFER a RESPIRE from his UNSETTLED with these little brown mounds and holes left by the aerating machine for the IMPROVEMENT of the fairways we are told! (That little observation was written just before THE RAINS CAME--Right now the sign looks as fit and proper as if it had "NO" in there!)

AND NOW ABOUT THE WOMEN:

Their Fall Handicap Tournament is well underway with the RECORD NUMBER of 40 players making possible two full flights of 16 and one of 8. Mrs. Clayton Morse won MEDALIST honors and deemed herself "twice blest" when her net 72 game squared off a long delayed match for FIRST FLIGHT WINNER of the Summer Championship Tournament. She won from Mrs. Jay Hendrickson, one up. Second round matches were postponed a week because of the UNSETTLED WEATHER. FINALS will now be November 7th, and awards will be made at the BUSINESS MEETING.

TOO MANY MEETINGS? A movement is under way to replace the MONTHLY general meeting of the Women's Auxiliary group with an EMERGENCY BOARD meeting along with two or three LARGE meetings spaced periodically during the year. Women are requested to weigh the merits of such an action, and be on hand for further discussion November 7th.

IF HOUSE COMMITTEE CHAIRMAN, Mrs. Ralph Hendrickson, exhibits added DIPLOMACY in the management of house affairs these days it may be attributed to the recent visit of herself and husband Ralph to the Hague where their son-in-law is in the DIPLOMATIC SERVICE of the U. S. Embassy. They report traveling some 3000 miles and visiting parts of nine countries.

Mrs. A. S. Dubnick and Mrs. Carl Myquist won low gross honors in the A and B classes respectively at the WOMEN'S FALL HANDICAP TOURNAMENT. Seaside has won. Mrs. Jay Hendrickson and Mrs. W. A. TerHar, low net. Mrs. Vern Mogenson won a golf ball for the lowest drive, and Mrs. Jay Hendrickson for pitching closest to the pin. THANKS to the Seaside women for their courtesy.

The Women's Sports WHEELERS recently signed up golfers Mrs. Jack Keeler and Mrs. John Gizdavich. Mrs. Jack Keeler plans to join, and Mrs. David Scoggins is a recent RECRUIT--so GLAD those "SOUTHERNERS" got wise!

In closing, your editor submits:

I hope I ne'er AGAIN shall see a
WIND STORM that uproots a TREE!

RUNNING SCARED,

Country Club's Stagette to Turn Back Calendar

The calendar, not the clock, will be turned back at the Astoria Golf and Country club the week of October 24-28 when a backdrop of the Roaring 20's parties will set the theme for the annual Stagette Tuesday and a "no-ho'-is-barred speak-easy" dance the following Saturday.

The Stagette, fun day of the year for women club members and their guests, is planned to cover a wide scope of entertainment from golf and bridge to gala entertainment and dinner with extra bits thrown in, according to the co-chairmen of the event, Mrs. Frank Maize and Mrs. Vern Mogenson.

Women Golfers At Country Club To End Tourney

The award get-together will be held the following Tuesday at 3 p.m. following regular golf play, along with a short business meeting.

Nominations for officers for the coming year will be presented at that time by Mrs. John Day, chairman for the committee.

In the event the final or consolation matches are not finished by October 31, no change in handicaps will be made for a subsequent play.

Selected as "Golfer of the Month" in the Pacific Northwest for November is head pro Marlow Quick of the Astoria Golf and Country club. Quick will be featured in the next edition of Northwest Golfer magazine.

Stagette at Country Club Sends Memories Back to Roaring '20's

Against a flamboyant background depicting scenes from the Roaring Twenties a local "Carol Barnett," put an amateur talent group through their paces at the Astoria Golf and Country club annual Stagette. Tuesday night, with all the flair and know-how of a professional TV showman.

The entertainment was the focal point of interest following a morning golf event, an afternoon of bridge and a social hour preceeding dinner, and was aimed at group participation and light-hearted enjoyment for the more than a 100 women members and their guests according to Mrs. Frank Maize and Mrs. Vern Mogenson, chairmen for the event.

The golf play, previously announced as "gooney", turned out to be a "dead serious" endurance contest. Golfers played the course backwards for seven holes on the back nine, teeing from in front of the 18th green to the 17th green, etc. Players say the real challenge was the shot from the 15th tee to the 14th green, for the recent twister left all intervening trees intact and "menacing." They termed the play challenging, but fun.

The atmosphere of the club was strictly from the "twenties" with life size caricatures over the mantle and around the walls depicting those days of racoon coats and wide lapels, gun men and flapper glas, speakeasys and the WCTU. Checkered tablecloths and candlelight, and the fringed and beaded dresses of the era, worn by committee members added further to the decor.

Mrs. Richard Schroeder and Mrs. Robert Jones were in charge of the afternoon bridge and presented prizes to Mrs. Lawson Stevenson and Mrs. James Kindred for high scores, and to Mrs. Marsh Hoffman for low. A door prize was won by Mrs. George Abrahamson.

Mrs. Graham Barbey, in an exopic harem costume with a rain coat flung over her shoulders, both McEed and participated in a number of the acts making up the entertainment included a popular harem number. The first skit, "I'm Strictly a Female Golfer" depicted the vagaries and eccentricities of women golfers, by Mrs. Vern Mogenson, Mrs. Reece Williams, Mrs. Jay Hendrickson, Mrs. Frank Maize, Mrs. Clayton Morse and Mrs. Ford Knutsen.

Mrs. Harvey Halonen enacted a vivacious song and dance hit from "Thoroughly Modern Milly", a current musical reminiscent of an earlier day. Meanwhile, with placards, and somber costumes, WCTU women paraded through and around the tables before going on stage for their skit. Mrs. William VanDusen who strolled through the crowd with a cigarette and glass in hand was the object of their denunciation.

The "must'nt-touch-its" repre-

sented the B division golfers the Mesdames Howard Burns, William Daggatt, Carl Nyquist, Russell Klock, C. J. McElhany and Charles Wood.

Mrs. Robert Lovell played the musical accompaniment for the skits as well as for the group singing of old time songs led by Mrs. Jens Lerback, before and interspersing the acts.

Decorations for the dance were done by the "Roaring Twenties" dance committee headed by Mrs. Van Dusen and Mrs. Daggatt. The wall caricatures were designed by Mrs. Daggatt and Mrs. Jack Keeler.

Golf winners for the day were guests. Mrs. Charles Cartwright low gross and Mrs. Sam Cochran, low net; Mrs. Betty Young, both KP and longest drive. For Astoria Mrs. Frank Maize and Mrs. William Manion tied for low gross. Mrs. Merv Eward won low net. Mrs. Manion had the longest drive and Mrs. Vic Horgan was closest to the pin.

Others who assisted on the committee were, Mrs. Arthur Anderson in charge of tickets; Mrs. A. S. Bubnick, golf assistant; Mrs. Clayton Morse, program and publicity; Mrs. Robert Morrison, special prizes, Mrs. Rodney Banks, tables.

Stevenson, W. Siegmund, J. Gizdavich, E. Quinn.

Mrs. Tony Bubnick Wins Women's Golf Tournament

Women golfers of the local golf club have completed their fall handicap tournament with Mrs. Tony Bubnick winner of the championship flight and Mrs. Clayton Morse runner-up.

First flight winner is Mrs. B. Henningsgaard with Mrs. F. Maize runner-up. Second flight is yet to be played between Mrs. T. R. Williams and Mrs. Morgan Ewald. Mrs. Donovan Mitchell winner of third flight with Mrs. R. Morrison runner-up. Fourth flight winner is Mrs. Ed Nimmo with Mrs. S. Baier runner-up. Fifth flight winner is Mrs. S. Lund with Mrs. R. Jones runner-up. Medalist winner is Mrs. Clayton Morse.

Due to inclement weather only nine holes of consolation flight was played and won by Mrs. A. Johanson.

Tuesday's play will be an 18-hole consolation play for all contestants who did not win a prize in the past tournament. Rules and regulations state at least 18 players must be present so all non-winners are urged to turn out for the days play. Players are asked to make own pairings.

Starting Nov. 21 the nine holes winter tournament will be played by all interested members. Mrs. Ford Knutsen will be chairman of this event.

RESERVATIONS ARE ASKED FOR COUNTRY CLUB LUNCH

Reservations are requested for the Astoria Golf and Country club women's luncheon Tuesday at 1 p.m. at the clubhouse. Mrs. Frank Maize, chairman, assisted by the Mesdames Vernon Mogenson, Clyde Lee and Arthur Anderson, asked that those planing to attend call the clubhouse.

Things are "BUSTIN'OUT ALL OVER" and it ISN'T EVEN SPRING--or so it would seem at the Astoria Golf and Country Club when the BOARD puts its plan for ENLARGING THE COCKTAIL LOUNGE and the MEN'S LOCKER ROOMS into gear. The time is NOW and the C. and M. Construction Co. is already on the job laying groundwork for the BREAKTHROUGH. More about that after a brief resume of WHAT'S BEEN GOING ON IN THE GOLF CLUB.

DID YOU NOTE a touch of the INTERNATIONAL at the Country Club this fall, what with the Honorable Gavin Astor playing a foursome with the mayor and two other club members, and the Consul General of Finland Turre Mentula lending his August presence to the Finnish Golf Tournament? The Greek Ship stranded in the harbor mouth attracted hundreds of sightseers, many of whom made it a point to play the course while in the vicinity.

GOLF WISE ('FORE THE MEN)

Fred Sandoz garnered FIRST PLACE in the Fall Medal Tournament; E.V. McNeeley was SECOND: Dave Roscoe and Grey Kershul tied for THIRD and Bob Tayton took the FIFTH spot. Five players tied off SIXTH.

The TURKEY SHOOT breakfast and tournament Nov. 9th proved popular, according to assistant pro. Kent Wright. Of the 44 men who played in the two man "best ball" 22 won certificates for turkeys--NOT BAD!

Astoria stayed "top-side" in their team match competition with Gearhart in November, with a score of 50½ to Gearhart's 50.

Marlow Quick has been treading water in an UPPER BRACKET in Pro-Am. competition in November. He shot 69 to win SECOND PLACE at Merriwether, Nov. 13 and 71 to tie for SECOND at Corvallis November 20.

'FORE THE WOMEN

A RAIN BELEAGURED Handicap Tournament came to a "soggy Finish Nov. 7. Mrs. A.S. Bubnick won the CHAMPIONSHIP flight, with Mrs. Clayton Morse runner-up. Mrs. Blair Henningsgaard won from Mrs. Frank Maize in the FIRST flight; Mrs. T.R. Williams from Mrs. M.E. Eward in the SECOND: Mrs. D.O. Mitchell from Mrs. Robert Morrison in the Third; Mrs. Ed. Nimmo from Mrs. Stanley Baier in the FOURTH and Mrs. Sven Lund from Mrs. Robert Jones in the FIFTH. Mrs. Morse was MEDALIST and Mrs. Arthur Johanson CONSOLATION winner.

18 hole play officially ended Nov. 14th with handicaps frozen until the middle of March. A NINE HOLE TOURNAMENT is under way with prizes given for low net aggregate scores for four games played on Tuesday before the resumption of 18 hole play. Mrs. Ford Knutsen is chairman.

NO, a player MAY NOT IMPROVE HIS LIE IN THE ROUGH under present winter rules (even if Portland Players do so) The Board MADE IT OFFICIAL.

LOOKING FORWARD:

MORE ABOUT THE BUILDING ADDITION--Chairman George Abrahamson advises that the new 30 by 20 ADDITION on the westerly side of the club house overlooking the 18th green will accommodate approximately seventy lockers some 20 or 25 of which will be installed for immediate use. A SIMILAR EXTENSION of the COCKTAIL LOUNGE will more than double the present area, improve the facilities, and give a sweeping view of three sides. Greenskeeper, Roy Thompson assures the membership that only a slight realignment of the PATHWAY to the 10th TEE will be necessary.

A LONG RANGE PLAN envisages an eventual EXTENSION of the WOMEN'S LOCKER ROOM similar to the men's, a connecting SUN DECK for lounging and even a possible enlargement of the DINING AREA. Sounds like a real GO,GO, PLAN. But a few DISSENTERS are saying; "What about that COVERED SWIMMING POOL.

It's time to put the "sheet" to bed;
It's time to say good-night;
To wish you a MERRY XMAS
And a NEW YEAR with future bright.
But for those who'd like to SKIP IT ALL
To JUMP right into May,
Your editor, WITH GREAT RESPECT
Says, "HAPPY GROUND-HOG's DAY!"

INTRODUCING THE NEW CLUB MANAGER: _____

Alan Arsenault, the ENERGETIC YOUNG MAN one sees everywhere about the club house these days, hails from Spokane, Washington. There the Famous old Davenport hotel did a PRETTY FAIR JOB of "bringing him up" and preparing him for the job he expects to do here, he frankly asserts. He started as Hotel bell boy at the age of 15, worked as waiter (with Shish-ke-bob and flaming torch routine!) graduated to desk clerk and night auditor, and finally to the position of banquet manager. He comments on his GOOD FORTUNE in having had the opportunity to PICK UP POINTERS from Multnomah Club manager, Verne Perry, at an intensive two day TRAINING STINT on his way to Astoria to take up his work here.

Mr. Arsenault's position is UNIQUE since he will be the FIRST manager since the organization of the club to assume all the duties of MANAGERSHIP. This will include COMPLETE SUPERVISION of kitchen, dining room and bar, DIRECTORSHIP of all social events, and RESPONSIBILITY for club finances and accounting as well. His BIG JOB at present is to organize and systematize, which he believes will put both himself and the Board of Directors in a better position for EFFICIENT MANAGEMENT. A BIG PUSH for SOCIAL ACTIVITIES will follow with plans for MORE and more DIVERSIFIED entertainment on the immediate agenda. QUITE AN ORDER! But Alan is most enthusiastic about the possibilities of the club, and says that with MEMBERSHIP COOPERATION--and NEW KITCHEN EQUIPMENT--it will easily be THE BEST IN THE WEST! The Arsenaults--Alan's wife's name is Sherry--live at 1091 Irving, where they have a view of the Columbia river, and where they plan to become a permanent part of the community life.

THE SUNDAY "MIXED TWO-BALL" with dinner following is the first of a number of "MIXED" golf events Manager Allen Arsenault and Pro Marlow Quick are hopeful of making "routine" for spring and summer play. Allen points out that the special GOURMENT boneless chicken entree priced at a rockbottom \$3 for adults and \$2 for children under twelve will make RESERVATIONS by Friday a MUST. The Arthur Johansons and John Days, chairmen for the event, state that dinner will be served rain or shine, and URGE you to sign up NOW and get the series off to a GOOD START.

THE BIG NEWS is BOARD APPROVAL of a "RADICAL" for the kitchen and dining room area which will put it into PROPER PERSPECTIVE with the NEW COCKTAIL LOUNGE ADDITION recently completed, and the RE-DECORATED LOUNGE of last year. Plans approved call for ENTIRELY NEW KITCHEN equipment, new paneling, and modern facilities for banquets. It's no wonder that Manager Allen goes about with a NEW GLEAM in his eye--he's POSITIVE he can produce the best DINING in the vicinity given reasonable membership co-operation. A permanent schedule for dining hours will be published on completion of the remodelling.

GOLF CHIT CHAT:

Assistant pro Kent Wright has HAD THE WORD from Eddy Oldfield, former pro for this course, who is now head professional at the Glenview Golf Club at Golf, Ill. just out of Chicago. Kent will leave here about the 19th of March to take charge of the pro shop for the summer. During the winter months he will give lessons at Eddy's club in Phoenix. Congratulations Kent, and GOOD LUCK!

CONGRATULATIONS also to Gordon Barrick who will be taking Kent's place here-- at the PRO SHOP, that is! Gordy is a stranger to none as he grew up on the Course as one of the OUTSTANDING CADDIES, and has been assisting in the pro-shop here for the past two years. Bob Burdick will in turn take Gordon's place.

GOLF OR POKER? Ralph Deichter "snagged" FOUR DEUCES last week in a routine 18 hole round, birds on the short holes and an eagle on 15. Not bad!

HANDICAPPING for men golfers is now on a 12 MONTH BASIS, by a recent vote of the BOARD, which means ALL 18 hole scores must be turned in. Women's handicaps will be governed by OWGA ruling.

BY THE WAY the MARDI GRAS dance was truly "GROOVY." Multi-colored ballons and confetti, along with a tableau of King Rex, his Queen, and court done nearly in life size paper mache figures in brilliantly colored trappings over the fire place, made a typical background for the dance that might have come STRAIGHT from a French Quarters revelry in old New Orleans. BOUQUETS to the Capt. Martin Wests and Capt. J. Bruneaus and to the committee members who assisted them.

52 PLAYERS TURNED OUT for the Sunday Breakfast and Tournament, March 3 as compared with half that number last month. In the CHAPMAN Tournament, with a blind draw for partners, the Jay Puffinburger, Bob Grant combination won low with a 52; Russ Sluhrer and Dick Nelson won second with a 67. In last month's play the McNeely, Stramiello, Jacob, Hobbs team tied for first place with the Lund, Niemi, McAllister, McAllister set up.

That's thirty for to-day, folks---

If the "sheet is a wee bit sketchy
And just a little late,
Chalk it up the POI and the MAI TAIS
And FUN in that 50TH STATE!

CLUB CHIT CHAT:

HARD HEADED Johnny Rippet demonstrated how to IMPROVE HIS GOLF in ONE DIFFICULT LESSON last week. Hit and knocked out by a hard driven golf ball on the fifth hole, he sustained HALF A DOZEN STITCHES on the forehead, then went back to finish the game. He maintains he played MUCH BETTER GOLF AFTER the mishap than he did before--TOUGH CHARACTER.

Ed Niemi had to GET OUT OF THE COUNTRY to experience his first HOLE-IN-ONE. He made it while playing with his son Johnny on a Palm Springs course after a foursome on the green ahead had beckoned them to play through. He drove with a three wood and caused much consternation when the ball rolled into the cup for an ACE. EXCITING, says he, and LESS EXPENSIVE, but not nearly as much FUN, as he had to come home to do his BRAGGING!

The Frank Maizes were ONCE AGAIN low gross WINNERS in the Sunday TWO BALL. Mrs. Bill Van Dusen and Dr. Blair Henningsgaard were LOW NET with a 34. 30 players competed, despite the threatening weather, and in TRUE MARLOW FASHION some two thirds of them received PRIZES. BETTER JOIN UP and try your luck come Sunday the 14th!

Marlow Quick and George Abrahamsen will play the SPOKANE COUNTRY CLUB Apr. 26th in the PRO-PRESIDENT'S TOURNAMENT there.

THE MEN'S SPRING HANDICAP TOURNAMENT is now under way, and the WOMEN will QUALIFY for theirs April 16th. Mrs. Frank Maize and Mrs. Harvey Halonen are chairmen for the latter.

ACOLADES to TEAM CAPTAIN Mrs. James Kindred and her COMMITTEE, Mrs. Arthur Anderson and Mrs. Robert Morrison for their well planned and executed golf event, the ANNUAL OPENING BREAKFAST, March 19th. 55 women golfers, both regular and prospective, met at that time to talk GOLF FUN for the coming year. Table decorations were unique and in keeping with the golf decor. Favors and special prizes added ZEST. Following the meeting new players attended Marlow's GOLF LESSON classes, and "regulars" turned out for a nine hole BEST BALL TOURNAMENT. Marlow reports good attendance at the classes in spite of the WEATHER MAN'S lack of COOPERATION.

SUNSHINE and a host of YELLOW DAFFODILS paid homage to Spring at the FIRST BRIDGE LUNCHEON of the season in early March. Mrs. Max Schaffer and Mrs. Holt Cookingham won HIGH and LOW respectively, and Mrs. Jay Hendrickson won the DOOR PRIZE. Mrs. Jack Keeler and Mrs. William Manion were hostesses for the event.

HAVE YOU CHECKED THE USGA RULE CHANGES FOR 68? FOREMOST is the change which DROPS the TWO STROKE PENALTY for hitting another player's ball on the green from a distance of 20 yards. (Hitting another's ball while putting on the green is still a two stroke penalty, however) OTHER CHANGES state that an OUT OF BOUNDS BALL may NOT be governed by a local rule as in the past, but requires the FULL PENALTY of STROKE AND DISTANCE. BETWEEN THE LEGS putting has been outlawed--to the DISTRESS of a number of local golfers who relied on it for accuracy. A player may lift his ball for cleaning but once when he is on the green, and may not mark except at the request of another player. WHAT ELSE IS NEW!

ATTENTION, LADIES. For your convenience the BOARD has made it possible for you to have your own CLUB MEMBERSHIP CARD. It May be obtained by REQUEST at the manager's office.

THE GREENS COMMITTEE POINTS OUT that this is a particularly VULNERABLE period for turf maintenance because of INTERMITTENT PERIODS of rain and sunshine. They SUGGEST that you use GOOD JUDGEMENT when using carts. That means PULL CARTS as well as ELECTRIC.

PLEASE, REPLACE YOUR DIVOTS!

p.s. KEEP TUNED to news of the GALA OPENING OF THE DINING ROOM, May 11th. It will FEATURE a DINNER DANCE and promises to be a SENSATION. THE DR. RAFFERTY'S and GEORGE ABRAHAMSEN'S are heading the committee in charge of arrangements.

MAY DAYS will be "HEYDAYS" for members of the Astoria Golf and Country Club who have been IMPATIENTLY awaiting completion of the COCKTAIL LOUNGE, DECK and DINING ROOM RENOVATIONS to really "LET GO." May 10th is D DAY, and thereafter things will truly START HUMMING, say Program Chairmen in every FIELD. GOLF EVENTS for every time of day and all ages, BRIDGE, DINNERS, AND DANCING are all on the agenda for a SOCIAL WHIRL that will make up for LOST TIME. Just take a DEEP BREATH, JOIN THE CROWD, and ENJOY YOURSELF, they advise.

MIXED TWO BALLS on Friday afternoon in addition to Sundays, is a new INNOVATION and will need BOOSTING--suppers may follow if play warrants, says Manager Allen Arsenaault; JR. GOLF under direction of Mrs. Reece Williams and Mrs. Joe Bakkensen is already set up, with lessons starting June 7th; Regular BRIDGE LUNCHEONS have been resumed, and DANCES at least every other month are SCHEDULED.

GENERAL W. J. JOHNSTON is taking a SECOND TURN as General Chairman for the OREGON COAST TOURNAMENT, July 21-27, and ANNOUNCES that INVITATIONS will be out by June 1st. Members wishing invitations sent to friends should TURN NAMES IN immediately. "Willie" is likewise on THE PROWL for good and willing helpers to make up TOURNAMENT COMMITTEES and will appreciate VOLUNTEERS.

FEATURING THE GRAND OPENING OF THE DINING ROOM, the DINNER DANCE, May 18th is the FOCAL POINT OF INTEREST. Since it promises to be a GALA AFFAIR, and dining space is limited, the committee STRESSES, that RESERVATIONS be made accompanied by check. May 14th is the deadline.

CLUB CHIT CHAT:

TWO TIMERS? or just PUBLICITY HOUNDS? Ed Niemi in the short period of six weeks, snagged a SECOND HOLE-IN-ONE Wednesday playing his own course instead of a Valifornia fairway. Leading in a final match of the Senior Spring Tournament against Ken Wrenn, he became so excited over SINKING FOR AN ACE on the fourth hole that he promptly LOST THE MATCH. He says it was WORTH IT, however.

Johnny Rippet must have enjoyed his PUBLICITY, as well, for he stopped another golf ball shortly after he earned the title of "HARD HEADED JOHNNY" in last month's "Here's How." Better not make a HABIT of it, John.

OVERHEARD in the OVERCROWDED WOMEN'S Locker Room: "I need the new women's REALLY

The Arthur Johansons are being CONGRATULATED on aqiring two "DAUGHTERS-IN-LAW" in three weeks. Simple and fun, reports Gertie, but hard on the GOLF GAME.

Team Captain Mrs. James Kindred will be on deck for the Business Meeting Tuesday after a prolonged bout with the hospital. WELCOME BACK, Ellen!

Two inches above the knee for SHORTS? THE POWERS THAT BE say so!

Altho there seems no limit on how high the SKIRTS can go.

NO CURRIES in the hair, girls. They're just for home consumption.

You can plan a WIND BLOWN hair-do for that "very special" function.

ALL GUESTS who come into the club must sign up in the lobby--

The law enforcement officers check up--just for a hobby!

And, MEN, no matter how the sun beats down upon those shoulders

Why golf is MADE of RULES and FUN, so let's get on the tee!

June

June 1968 A.B. (AFTER the BURN!)

Ferne Morse, Editor

NO--contrary to RUMOR, the Astoria Golf and Country Club is not LETTING OUT ROOMS to supplement insurance claims! The SWISH three bedroom, two bath MOBILE HOME, complete with BAR, located on the hill top north of the pro shop, is none other than the INTERIM CLUB HOUSE for the re-building DURATION.

June 1st was a BLACK DAY for the Country Club when searing flames of unknown origin levelled the 40 year old club house, swallowing up in the space of one short hour, the cumulative RE-BUILDING and RE-DECORATING efforts of more than two years work and planning. But like the fabled men of the LIGHT BRIGADE club members rose to the emergency. Before firemen had ceased beating out flames, Oregon Coast Chairman, General Johnston was stoutly proclaiming that the SHOW MUST GO ON, and on-the-spot board members were mentally calculating HOW FAR the fire INSURANCE would go on a BIGGER AND BETTER replacement.

ON THAT HIGH KEY the board held innumerable meetings. President George Abrahamsen appointed a BUILDING-PLANNING COMMITTEE to meet immediately, the firm of Brown and Brown, Architects of Astoria, were retained and the BALL STARTED ROLLING. The MOBILE CLUB HOUSE was erected simultaneously with the removal of FIRE DEBRIS; Portland Golf Clubs, spear-headed by their MANAGER Association FURNISHED and helped set up the BAR and equipment; Manager Allen Arsenault moved into the tiny little office of Greenskeeper Thompson, and GOLF WENT ON AS USUAL!

APPOINTED ON THE PLANNING COMMITTEE are: Clayton Morse, Chairman; T. R. Williams, Sec.; Harry Swanson, Jay Hendrickson, Vern Davis, Ted Dichter, Charles Mooney, Mrs. Robert Larson, Mrs. Graham Barbey, and club manager, Allen Arsenault.

COMMITTEE MEMBERS STATE that it is their EARNEST DESIRE to INCORPORATE in so far as it is possible the IDEAS and SUGGESTIONS of interested club members in planning this new building. Since the next few weeks will be devoted to PRELIMINARY PLANNING by the architects, they advise that suggestions be WRITTEN and addressed to the Country Club IMMEDIATELY. They URGE your interest and participation.

AND NOW DOWN AT THE CLUB: The following is a COMPLETE SCHEDULE of GOLF EVENTS for both men and women, for the remainder of June through October. The Activity committee suggest that you CLIP AND SAVE for easy REFERENCE.

(SANS the "COTTON BALL" as originally planned!)

THE GRAND OPENING of the new LOUNGE AND BAR is set for Saturday, June 22nd. Partitions have been removed so that an L shaped lounge with tables and chairs, gold carpeting and matching drapes will give a genuinely PLEASANT atmosphere where a golfer may order a GOLF SNACK and a cup of coffee, or have a beer or a cocktail as he wishes. NOPE, there is still no place for changing clothes and the like, but a COMMITTEE has been appointed to take this problem under ADVISEMENT, your editor has been told.

OUTLOOK FOR THE COAST TOURNAMENT is GREAT reports General Director Johnson, chairman for the event. Committees have been appointed and are functioning and ALL are coming in FAST, well ahead of last year at this time. The Dearhart Motor Hotel and the Windjammer will be HEADQUARTERS for SOCIAL EVENTS, and additional tents will solve space problem for snacks, golf clubs, etcetera. Neil Morfitt will be the General's deputy chairman, and the Everett McNeeleys, Graham Barbeys and Merv Edwards will make up the HOSPITALITY COMMITTEE, with additional hosts for each evening function. A PAST PRESIDENT'S NIGHT, honoring club presidents of the last five years, is a new innovation on the schedule. These are Frank Maize, Vic Horgan, Les Spofford and Don Mitchell (Two timer), Fred Sandoz and Al Grimberg will be official scorers, and Joe Snider will be on deck again as official starter.

THE CLUB WELCOMES NEW MEMBERS:

REGULAR: Warren Bechtolt, Ed Niemi Oil Co.; Lewis Wright, Bumblebee Seafoods; Albert R. Sorkki, Oregon Marine Co.; Thomas Cameron, Dentist; P.D. Thompson, Astoria Granite Works; Douglas Clark, School District principal; Capt. Martin West, Bar Pilot; and Michael O'Brien, Astoria Ready Mix (transfer from junior membership) all of Astoria. Henry McCall, Jr. Life Insurance; and Garry Helman, Mode O'Day Astoria, both of Seaside.
JUNIOR: Hubert Stokes, Warrenton; Donald R. Milligan and Robert Johanson, Astoria.
SOCIAL: John Vermeul

WIVES and families are also welcome and urged to join in CLUB ACTIVITIES. Golfers should contact Mrs. James Kindred, team captain, for information concerning their GOLF WOMEN'S ORGANIZATION.

CERTIFICATE MEMBERSHIPS will be raised to \$750 as of July 1, The Board announces. They emphasize that this is NOT an EMERGENCY move but one which was well considered long before the B.B. They figure it will still be a BEST BUY in any golfer's language!

Friday is truly KID'S DAY at the country club. Mrs. Reese Williams, chairman of the Jr. Golf reports more than 80 children have turned out for lessons this year, and for the play which follows. Since mothers accompany the younger players, it is a WORK OUT for them as well.

BOUQUETS to The George Abrahamsen and Frank Raffertys and their committee who made the GRAND OPENING DINNER DANCE one never to be forgotten. The exotic, Oriental motif blended and enhanced the NEWLY DECORATED club rooms and the 150 dinner guests were amply served even tho the original limit was set at 120.

HANDICAP TOURNAMENT for both men and women golfers were completed in May. Mrs. Frank Maize won the CHAMPIONSHIP flight, Mrs. Vern Mogenson, first; Mrs. Clayton Morse, second; and Mrs. Howard Burns, third. Mrs. Blair Henningsgaard was MEDALIST, and Mrs. Charles Mooney, CONSOLATION winner. Vern Cook won CHAMPIONSHIP HONORS for the men, and Dave Scoggin, Dave Hobbs, H.P. Jacob, Eric Hauke and W. Grimberg won the flights ONE THROUGH FIVE respectively. Kenny Ryan won the Senior Championship Division, and Eino Pustii, first flight.

In closing, President Abrahamsen and the BOARD OF DIRECTORS express their HEARTFELT GRATITUDE at the way other GOLF CLUBS "RALLIED ROUND" when the club house burned. Their MATERIAL RESPONSE through the MANAGER'S association was the first BIG BOOST on getting BACK INTO BUSINESS. The bar, tables, and many other "fill in" accessories of the lounge will be a CONSTANT REMINDER of the GOOD WILL AND FRIENDSHIP fellow golfers have shown.

Here's How!

August 1968

Ferne Morse, Editor

Like the lure of the TOPLESS "go-go" girls, the DENUDED Astoria Golf and Country Club continues to hold her CHARM FATALE for challenging golf contestants and new members as well, to judge by the popularity of golf events and by the new membership list. Over all hangs the excitement of a NEW CLUB HOUSE. The big questions are WHAT, WHEN, WHERE, AND HOW?

The Oregon Coast Tournament as the first BIG HURDLE following the fire was a TACTICAL MANEUVER of which any general might be proud, and General J.W. Johnston, chairman, affirms it was JUST THAT. The field was filled to overflowing, the weather man cooperated, the Gearhart SWITCH for social events was accepted with grace, and the MEMBERSHIP ASSISTANCE was THE BEST, says he. He particularly thanks the committee chairmen and their helpers for their part in making it a big success.

GOLF WISE, club mates are SORRY Ralph Dichter hit a BAD DAY and a STRONG OPPONENT simultaneously, but GLAD to CONGRATULATE Jack Koenig, Everett McNeely, Bill Wilcox and Ted Dichter as winners of the 1st, 2nd, 3rd, and 4th flights respectively in the Junior-Senior Group and General Johnston who took his opponent to the 19th hole in a try for Senior title. Helena Barbey carried the torch for LOCAL WOMEN GOLFERS by winning the third flight. Interesting that Champion Molly Cronin's Aunt, Mrs. Edmund Shea was runner up in the First Flight of the Oregon Coast Tournament clear back in '26--like auntie--like niece! TWO SPECTACULARS were the Holes-in-one garnered by Rodney Banks and Dave Munro during the tournament. Rod's was with a 5 iron on the seventeenth hole while qualifying and Dave's with a three iron on number four during his second match.

ASTORIA WOMEN GOLFERS won the out of town TEAM PLAY honors when they hosted the OWGA Tournament in July. Mrs. Jack Keeler won THIRD LOW NET in the championship flight, Mrs. Vern Mogenson, FIRST LOW NET in B division and Mrs. Jens Lerback, SECOND LOW in class C.

AND NOW TO THE PRESENT:

Play on the men's CHAMPIONSHIP TOURNAMENT virtually is complete with only the BIG MATCH between Ralph Dichter and Bob Welsborn waiting to be settled. In the other matches J. Rippet won from L. Johanns, E. Rippet from H. Heddiger, Dave Hobbs from G. Kershul, L. Kauffman from J. Ridenour, E. McNeely from F. Sandoz, D. Nelson from J. Daly and F. Anderson from M. O'Brien in Flights one through seven respectively. Bob Bowen and Bill Palmberg tied for MEDALIST honors with scores of 73.

IN THE WOMEN'S CHAMPIONSHIP Mrs. Jack Keeler was MEDALIST with a 78. Semi-finals are scheduled for Friday, with Finals and CONSOLATION Tuesday, along with an award party.

THE CLUB WELCOMES NEW MEMBERS: Dr. James Estes, Medical Dental; Charles J. Dexter, Oregon Linen Export; Harold A. Snow, Attorney; Richard Thompson, Astoria Granite Works; Arthur T. Lander, Home Baking Co.; Harley Grayum, Jr. High professor; Ralph Long, Astoria Plywood; James Campbell, Pat and Lens; all of Astoria. Gordon M. McRae, Bill Hay Inc. and Henry Mason, Henry Mason Co., both of Cannon Beach, and Lance Neely, retired, of Seaside.

ABOUT THE NEW BUILDING:

YOUR EDITOR has been assiduously chasing members of the BUILDING COMMITTEE trying to get the inside story on WHAT GOES with the NEW CLUB HOUSE. She can find only that they have been meeting regularly, have gone over "umpty" numbers of floor plans, discussed INNUMERABLE IDEAS, both practical and otherwise, and that they expect to come up with something concrete and acceptable within the next few weeks. IN THE MEANTIME, they are definitely interested in the ideas of individual club members and WILL WELCOME WRITTEN suggestions from them.

\$6.00 and \$4.00 for 18 and 9 hole play week days

(If a member signs for a guest, plays with him and charges the fee to his own account, the fees will be \$6.00 and \$4.00 on week-ends and \$5.00 and \$3.00 week days.)

The REVISED RULE for FIVESOMES now prohibits their play ONLY until 1:00 O'clock. SOMEWHERE the SHOE MUST HAVE PINCHED!

In closing, have you heard about the USDA which is proving such a challenge to USGA? A number of club members have signified their desire to join, since it is an automatic CONSCIENCE-CLEANSER. Members admit to being DUFFERS and make LEGAL all the little "helps" USGA is determined to call CHEATING. ANY TAKERS?

Well here comes the judge!

Here's How!

SEPTEMBER 1968

Ferne Morse, Editor

ODIOUS OBSERVATION overheard on the local golf course: "After all, it's POST LABOR DAY so they MUST be SENIORS--lucky stiff! And so they were--all 186 of them gathered for their Annual Tournament, but "lucky" for only three of their five day PLAY, for TORRENTIAL RAINS turned the competition into a WATER SOAKED WALKATHON in many instances when SKILL was sacrificed to ENDURANCE. FINALISTS in the CHAMPIONSHIP flight took the weather in stride, and played the course in par. WINNER Andy Peterson had to come up with THREE BIRDS on the back nine to UNSEAT defending CHAMPION, George Beechler.

CONGRATULATIONS go to Robert Anderson and Ford Knutsen who "stormed" into WINNING SLOTS for the local club, Bob as CHAMPION in the A division, and Ford as RUNNER UP in the AA group after a rain soaked twenty four holes. The TWO-IN-ONE competition for a number of SEMI-FINALISTS on Friday, dreamed up to take care of "LOST" Wednesday is said to have varying results--some insist they won their decisions on the NINETEENTH HOLE.

BY THE COUNT more than a THOUSAND tournament golfers will have trod the FAIRWAYS of the Astoria Golf Club during the three month period from mid-July to mid-October. From the 320 COAST TOURNEY and the Women's 100 plus OWGA players in July to the more selective 86 man "INVITATIONAL TEAM MATCH" here this week end, and the single day JUNIOR SENIOR Tournament Oct. 11th this has been the BIGGEST (and WETTEST) Tournament year in the history of the club, according to Pro Marlow Quick. (He hastily assures un-happy non-tournament players that IT WON'T BE AS BAD AS THIS AGAIN NEXT YEAR!) The OREGON OPEN, SENIOR, and the INVITATIONAL are all "FIRSTS" for the club and not likely to repeat so soon, says he.

BOARD MEMBERS, sensitive to the SOUND OF THE CASH REGISTER as much as to the VOICES of protesting members, point out the LUCRATIVE SIDE of the situation. TOURNAMENTS have been a financial "OUT" for the club this particular year, according to President George Abrahamsen and Manager Alan Arseneault, and have APPRECIABLY OFFSET the actual cost of the TRAILER CLUB HOUSE and other unusual expenses as well. (Some clouds really HAD SILVER linings!)

AND NOW TO THE PRESENT:

THE CLUB WELCOMES NEW MEMBERS: Regular: Jim McNeely, Shoreline Estates, Astoria (He grew up--remember?) Non-resident: Rhodes Moreau, Investments, Portland.

GOLF ACTIVITY DIGEST:

ON THE HOME FRONT, the men's CLUB CHAMPIONSHIP is still undecided, altho the Fall Medal Tournament is already under way. CONTENDERS Ralph Dichter and Bob Wolsborn say they have been DODGING TOURNAMENTS and BAD WEATHER, but hope to play off soon.

Mrs. Graham Barbey wrested the women's CHAMPIONSHIP TITLE from defending champion Mrs. William Manion.

IN OTHER MATCHES Mrs. Vern Mogensson won from Mrs. Frank Maize in the FIRST FLIGHT; Mrs. Charles Mooney from Mrs. Arthur Anderson in the SECOND FLIGHT; and Mrs. Howard Burns from Mrs. Ted Dichter in the THIRD. Mrs. John Rippet won CONSOLATION HONORS. Qualifying for the FALL HANDICAP TOURNAMENT has been postponed until Sept. 24 due to bad weather.

Mrs. W. McWaters "CONSOLED" women golfers displaced by the OREGON OPEN with a Friday TEAM PLAY TOURNAMENT. Prizes were awarded following the play.

A GOLF FUN DAY has been planned for October 8th to replace the usual Stagette. Women from other clubs including Tillamook, Long View and Forrest Hills will be

asked to play in an 18 hole Tournament. Mrs. Ford Knutsen is in charge of the event.

THE JUNIOR GOLF TOURNAMENT boasted a turn out of 60 players. Twenty-two TROPHIES were awarded in the different divisions for both girls and boys, and golf balls were given to each member as a winner in some field. In the highly competitive 18 hole play Jim Dulcich won low net and Gerry Quirk, low gross. In the 16 hole tournament for girls, only two players turned out, with the low net and travelling trophy going to Victoria Daggatt and the low gross to Joe Lee Henningsgaard. Following the tournament, hot dogs, pop and ice cream bars were served to contestants--and DESERVING MOTHERS. CONGRATULATIONS to the "GOLFERS OF THE FUTURE!"

ABOUT THE NEW BUILDING:

PLANS ARE MOVING FORWARD WITH REGARD TO THE NEW BUILDING according to Chairman Clayton Morse and other members of the PLANNING AND BUILDING COMMITTEE. With LUCK the plans submitted by the architects at a special meeting Monday evening, may provide the GO AHEAD for the BIG PROJECT, LONG CONSIDERED AND MUCH WORKED OVER. If the plans are satisfactory to the COMMITTEE they will be presented to the BOARD at a special meeting, and thence to the GENERAL MEMBERSHIP along with a financing program for their consideration and approval. From then on, IT COULD MEAN full speed ahead!

ANY ONE FOR BRIDGE OR DANCING? There's MOVEMENT AFOOT to shift the emphasis at the club from golf to a FOCUS ON FUN--just for the winter. Its sponsors say that tho the "Trailer" is small, it could be COZY. They figure it could handle fifty people for cocktails or bridge, and they're trying to work out more ADEQUATE and INTERESTING FOOD. There's a TV in the offing as well!

SOLICITUDE FOR SENIORITY? or just plain COINCIDENCE that rough on the hillsides was NUTURED for the Oregon Open, but MOWED just before the arrival of the SENIORS?

NOTICE IS GIVEN that the club assumes NO LIABILITY for ELECTRIC CARTS, and that no NEW CARTS will be accepted for storage without specific arrangements with greenskeeper Roy Thompson or Vern Davis.

HOLIDAY GREETINGS! PREVIOUS, you think, when the Thanksgiving Gobbler is scarce in the oven! What with the FAIRY TALE PARADE already checked off, WHY NOT a TIP from pro Marlow Quick that those new aluminum shaft golf clubs can be YOURS in just 28 days if the spouse will only MOVE FAST! President George Abrahamsen says that the Astoria Golf and Country Club is set and ready to do "just that," and is announcing MEMBERSHIP PARTICIPATION MEETINGS during December which will put a number of planning actions into gear. More about that later. In the meantime:

THE CLUB WELCOMES NEW MEMBERS:

NON-RESIDENT: Fred Hoefke, Salem and John O. Byrne of Portland.

SCHEDULE for DECEMBER

- Dec. 3: Women's Closing Luncheon 1:00 p.m. at Trailer Lounge.
Election and installation of officers. Make reservations.
- 5: Men's Annual Meeting, Windjammer Restaurant at Gearhart
Cocktails 6:30 p.m. with dinner at 7:30 p.m. followed by
election of three new board members.

AND NOW DOWN AT THE CLUB:

THE BIG INTEREST, of course is the NEW BUILDING and the usual questions have narrowed down to HOW AND WHEN? Architect's plans showing site, exteriors and floor plans are displayed at the club house, and the PLANNING COMMITTEE earnestly urges EVERY MEMBER to familiarize himself with the details. If explanations are needed Alan Arsenaault, who has worked with the committee since its inception, will be glad to clarify.

President George Abrahamsen advises that a FINANCE COMMITTEE headed by Tom Sandoz is working hard to develop WAYS AND MEANS to finance the structure, and a date will be set shortly for the entire membership to MEET, DISCUSS and VOTE on the project.

A streamlined COORDINATING COMMITTEE to work with architects and interior designers will replace the larger planning committee, with Clayton Morse retained as chairman; and Mrs. Robert Larson, Mrs. Graham Barbey, board member Harry Swanson and club manager, Alan Arsenaault continuing with him.

WATCH FOR THE ANNOUNCEMENT DATE AND MAKE IT A POINT TO PARTICIPATE!

GOLFWISE: The MINI CRAZE has hit the golf course, with the first "nine" going VERY, VERY SHORT! Tees 2, 4, 5, 6 and 7 have affected the change, but steady rains have all but washed away any SCORING ADVANTAGE. Winter rules, of course.

Bob Wolshborn is the current CLUB CHAMPION and is to be congratulated for winning from "Ralph the Great" Deichter in a long postponed tussle, two and one. The two have locked horns more than once and the outcome is never a "cinch", Pro Marlow Quick points out.

For the FIFTH TIME IN SEVEN YEARS, Fred Sandoz "lucked out" with MEDAL HONORS in the 54 hole FALL HANDICAP TOURNAMENT just completed (medal play.) Quite a record! Bet a lot of fellows would like to know the combination! Other honors went to Dave Hobbs with 213 and to Everett McNeely with 214.

TO SHOOT A BIRD? 36 players turned out Sunday to try their hand at the annual Thanksgiving Day TURKEY SHOOT sponsored at the club. Low scorers who BAGGED THEIR GAME for the holiday table were: Dr. Jorma Leinassar, H.P. Jacob, General Wilson Johnston and Edward Niemi with a 56. No, they didn't have to SHARE. Each player was presented with a 12 to 14 pound turkey as were eight other LUCKY PLAYERS who placed second and third.

The Women's FALL HANDICAP TOURNAMENT, beset by DROP OUTS, INTERRUPTIONS AND BAD WEATHER, sloshed to a dismal finish Nov. 12, relieved only by the gay AWARDS PARTY given by committee chairmen Mrs. Vern Mogenson and Mrs. Howard Burns. Mrs. Jack Keeler won CHAMPIONSHIP flight from Mrs. Victor Horgan; Mrs. Stevenson won FIRST flight from veteran Mrs. Frank Maize, and Mrs. Merv Eward won SECOND flight from Mrs. Rodney Banks. A delayed nine hole CONSOLATION will be played before the Dec. 3rd meeting--if it doesn't RAIN!

COMPETITION for Tuesday play is limited to Nine holes as of Nov. 15th when 18 hole handicapping was discontinued. A 54 MEDAL TOURNAMENT for winter play has been arranged by Mrs. Robert Morrison; contact her for details.

Mrs. Frank Maize and Mrs. Jack Keeler brought in a WIN in the Closing Luncheon Best Ball for OWGA players, by placing third.

Greenskeeper Roy Thompson reports that plans to extend and enlarge number 12 tee while making a cart path along side, and to rebuild the women's 6th tee have been slowed by help shortage. Players will miss the SMILING FACE of Ingve Erickson as he wheeled his tractor around the course. A broken shoulder made him decide to retire after 16 years of continuous service.

THE MAN SEZ: Manager Alan, that is--that there's a lot of Life on the OLD HILL yet, if club members will only "gather 'round." The Trailer Club house is cozy and adequate for a surprising number of people, and the TV is good. That lunch "set up" that many have been treated to recently may become a REGULAR THING IF IT PROVES POPULAR. Eggs, cold meat, cheese and what-have-you all for just 50 cents between the hours of 11:00 a.m. and 3:00 p.m. on most days except Friday and Monday!

The club house will close at 3:00 p.m. Thanksgiving and will be closed the entire day on Xmas and New Year's, as will the pro shop. BETTER RESCUE THE CLUBS IF YOU HAVE HOLIDAY GOLF in mind!

JUST AS A REMINDER, the following names have been submitted by the NOMINATING COMMITTEE for next year's board of directors: George Hediger, General Wilson Johnston, Eugene Lowe, Bill Palmberg, and Bill Van Dusen. The names of O.A. Nikula and Harold Jacob have been added by membership petition. Manager Arsenaault advises that ballots will be handed out at the door to REGULAR or TIME PAYMENT members only with the directive to vote for three members for a three year term of office. DON'T FAIL TO GET YOUR FREE COCKTAILS AND DINNER--with the \$5.00 "Donation" going into the BUILDING FUND!

There isn't a doubt as to WHICH GOLF CLUB could be voted "MOST LIKELY TO SUCCEED" in '69! It's IN the BAG!

Again, "HAPPY HOLIDAYS--all of 'em! 1/28/69

Women Golfers ' Snug Inside Club

One of Astoria's fierce winter storms failed to dampen the spirits and enthusiasm of the women members of the Astoria Golf and Country club at their recent closing luncheon.

Although the wind blew and driving rain seemed determined to up-end the club trailer, all was cozy and cheerful inside with the gay Christmas holly and candles artfully arranged around the windows and on the luncheon tables.

Following the business meeting, Mr. C. McElhany thanked her officers for the past year and gifts were exchanged. She then introduced the new officers for the coming year, Mrs. John Day, president; Mrs. John Rippet, secretary; Mrs. Rodney Banks, treasurer; Mrs. Lawson Stevenson, team captain, and Mrs. John McGowan and Mrs. John Daly, social chairmen.

Winner of the fall handicap tournament was Mrs. Jack Keeler with Mrs. Victor Horgan runner-up. First flight winner was Mrs. Lawson Stevenson with Mrs. Frank Maize, runner-up, and Mrs. Merv Eward won second flight from Mrs. Rodney Banks. Consolation was cancelled because of bad weather conditions and Mrs. Art Anderson was medalist.

Mrs. Jay Hendrickson reported the eclectic winners for the past year are, A class, Mrs. G. Barbey, low gross with low net a tie between Mrs. V. Mogensson and Mrs. J. Rippet; B class low gross, Mrs. McElhany with Mrs. E. Nimmo low net, and C class low gross winner Mrs. S. Lund.

Winners of certificates for the putt-pot were the Mesdames V. Horgan for A class; Mrs. R. Hendrickson B class, and Mrs. S. Lund for C class. Winner of the OWGA trophy was Mrs. G. Barbey.

Working out the details of Club Financing for the new Club House.

Mrs. Graham Barbey, Mrs. Robert Larson and House Committee Chairman, Bill Van Dusen, are also on the Coordinating Committee for Planning.

March 1969

Ferne Morse, Editor

CALENDAR WISE, the NEW CREW at the Astoria Golf Club has been at the wheel for "quite a spell", but GOLFWISE, they've barely stood up to be counted, all because of the CURVE that OLD MAN WEATHER threw for December, January and most of February. SECOND YEAR PRESIDENT, George Abrahamsen, knew just what to do with the three NEW DIRECTORS, so General J. Wilson Johnson is presently head of the all important MEMBERSHIP Committee; Bill Van Dusen of the HOUSE; and George Hediger is firmly ensconced as the new SECRETARY. "Willie" has even been persuaded to take over the COAST TOURNAMENT for a third time. With the "no club house" problem still with us, President George thinks he well deserves a badge for courage.

COMPLETING THE WORK LOAD FOR DIRECTORS:

| | |
|----------------------|------------------|
| Vice-President: | Harry Swanson |
| Treasurer: | Jerry McAllister |
| Tournament Chairman: | Jim McAllister |
| Greens Chairman: | Vern Davis |
| Finance Chairman: | Tom Sandoz |

As Vice-President, Harry Swanson will have the Pro Shop and Golf Activities under his general supervision. Tom Sandoz has the BIG JOB (and sometimes HEADACHE) of working out the details of Club Financing for the new Club House.

President George is still in the DRIVER'S SEAT on the Building Committee, with Clayton Morse as Coordinating Chairman, and Alan Arsenault, Club Manager, Assisting. Mrs. Graham Barbey, Mrs. Robert Larson and House Committee Chairman, Bill Van Dusen, are also on the Coordinating Committee for Planning.

ON THE FEMININE SIDE: Mrs. John Day, fresh home from the Bahamas, is PRESIDENT; Mrs. John Rippett, SECRETARY; Mrs. Rodney Banks, TREASURER; Mrs. John McGowan and Mrs. Jack Daly, SOCIAL CO-CHAIRMAN; Mrs. Lawson Stevenson is TEAM CAPTAIN; Mrs. Frank Maize and Mrs. Clayton Morse are OWGA DIRECTORS, with Mrs. Lawson Stevenson as CLUB REPRESENTATIVE.

AND NOW ABOUT THE NEW CLUB HOUSE:

WE'RE STILL "TENTING" TO-NIGHT ON THE OLD CLUB GROUNDS, admits Building Chairman, George Abrahamsen. But a BREAKTHROUGH on the NEW BUILDING is just around the corner. After months of careful study, planning and maneuvering on the part of Architects and Committee Members, the plans are complete and as of this reading, "IN THE HANDS OF BIDDERS", who will have until March 14th, to turn in FORMAL BIDS for the consideration of the Board. "THEN," says President George, "IF THE PRICE IS RIGHT, IT WILL BE FULL SPEED AHEAD," with early fall as the goal for completion, and we'll be back on the map with the FINEST CLUB HOUSE IN THE COUNTRY.

MARCH SCHEDULE

- March 2 Men's Breakfast Club
9 Mixed Two Ball at 2:00 P.M.
11 Women's Opening Luncheon; Foffee An' at 9:30; Business Meeting and Draw for the Tournament; Luncheon at 1:00 P.M.; Res. by noon on Monday at the Pro Shop. Mrs. Vern Larson and Mrs. Earl Nelson are Co-chairmen.
19 Stag Night, Golf Tournament, dinner and games to follow. Jim McAllister, chairman. Make reservations.
28 OWGA Opening Luncheon, Oswego Golf Club; Best Ball Tournament, Reservations by March 21st, to Mrs. Wm. H. Green, 1240 S.E. 73rd Avenue, Portland, Oregon.

HANDICAPS for membership in OWGA have been raised from 21 to 23. Any Club member with that handicap may JOIN THE GROUP by paying a \$10.00 entry fee.

There'll be a WEARIN O' THE GREEN and other bits of interest to add ZEST to this first Golf Meeting of the year, according to the Co-chairman, Mesdames Larson and Nelson; so don't fail to be on hand to see the year off to a good start!

ACOLADES TO PRO, Marlow Quick: not only has he had the Pro Shop painted from stem to stern during the slow winter months, but he has decorated the Trailer Club House wall with a COMPLETE SCHEDULE OF GOLF EVENTS AND DATES, from now through the summer and early fall. No EXCUSE now for not knowing when the Club will be closed for a tournament plan!

NOTE that the BREAKFAST CLUB tournament is scheduled for the first Sunday of every month; likewise a MIXED TWO BALL EVENT for every other Sunday, beginning with March 9th. Nice to have an OPTOMIST at the HELM!

THE CLUB WECOMES NEW MEMBER, Al Wilkins of Astoria, as a Junior Member.

By the way, that patch of SUNSHINE that smiles so benevolently on AGC Players last week really got to Fred Sandoz. He said he wasn't "MAD AT THE BOYS" when he returned to the Club House without finishing the first hole--he had simply "FORGOTTEN HIS SHOES".

TIPS FROM THE TOPSIDE:

GOOD NEWS for a number of golfers, it is the Board decision to reduce the cost of CERTIFICATE MEMBERSHIPS to \$30.00, until the new Club House is completed. Time payment plans will be resumed, and no raise in dues will be instituted until at least the first of June.

STUDENT MEMBERSHIPS have been cancelled. Only sons and daughters of golf members or young players who are on a golf team will be allowed to play the course this season--THE BOARD SEZ.

STRANGE that the job of an inoffensive little committee on BI-LAW REVISION, appointed by Vic Horgan in 1965, with Les Spofford as Chairman, should turn out to be such a TIGER IN THE HAND. The present BOARD OF DIRECTORS say it has been JUST THAT, but they have finally hammered out AGREEMENTS via a number of recent meetings, and are prepared to take it before the MEMBERSHIP for approval. March 31st, is the TENTATIVE date set, with Jerry McAllister making the presentation.

The skies are BLUER--the driks more AMBER at the Astoria Golf Club of late, or so Manager, Alan Arsenault keeps telling us. We have the Board to thank for that "little bit of difference."

BY THE WAY, the STAG NIGHT last Wednesday drew a FULL HOUSE. 37 dinners were served with some 45 members in attendance. Manager Alan says, reservations will be necessary for the Stag Night on the 19th, but no cards will be sent out. This is because of LIMITED FACILITIES in the Trailer Club House.

AND NOW, A WARNING, about that UNPREDICTABLE WEATHER MAN. If he forecasts that the weather may be CLEAR and STILL, he just MAY mean that the water is clear over your shoe tops and it's still raining.

CONSTRUCTION ON THE NEW BUILDING is already under way, with heavy equipment noisily breaking ground and uprooting old forms to make way for its foundation. Pairings Listed For Women Golf Players Tuesday

Why does it always rain on Tuesday's and never on Thursday's (Men's day), was the cry last Tuesday at the meeting of the women of the Astoria Golf and Country Club.

APRIL 1969

Ferne Morse, Editor

A SALUTE to the New Home of the Astoria Golf and Country Club. CONGRATULATIONS to the many PLANNERS who have helped make it possible and cheers for the New Era its completion is BOUND TO BRING ABOUT!

CONSTRUCTION on the NEW BUILDING is already under way, with heavy equipment noisily breaking ground and uprooting old forms to make way for its foundation. Acceptance of the LOW BID of local contractor Albert Mittet by the Board of Directors at a special meeting last week climaxed nearly ten months of intensive work on the part of architects, planning and building committees. "The BIG JOB was to get the MOST for the LEAST that would accommodate a GROWING and MODERN club at a PRICE its membership COULD HANDLE," reports one committee chairman. "We feel that our aim has been accomplished." Mr. Mittet's low bid of \$343,900 was only 3% lower than the highest one submitted.

RATIFICATION of the new BY-LAWS went smoothly at the special membership meeting Monday night. Under MEMBERSHIP CHANGES a new classification permits widowed or unmarried women to hold an ASSOCIATE membership with full club privileges other than voting. Another change REMOVED THE RESTRICTION that a person must reside in Clatsop County to hold a Proprietary Membership.

AND NOW DOWN AT THE CLUB:

THE CLUB WELCOMES NEW MEMBERS:

REGULAR: Ted Bellingham, Warrenton Lumber Co., and Vern Wells, Mgr. Pop's Restaurant, Warrenton.

JUNIOR: Richard T. Schroeder, Jon Palmberg, David Pruitzman and Leonard D. Hayes.

NON-RESIDENT: Dr. Aarne J. Lindgren, Portland, Oregon

SCHEDULE FOR APRIL

April 1 Women's Business Meetint 9:30 AM
April 4 Second lessons for Intermediate & Beginning women golfers at 9 & 10 o'clock respectively. Follow up lessons April 11th, 15th, & 18th at same hours. Final day to qualify for Men's Spring Handicap Tournament.
April 5 Matches start with one match a week thereafter

April 6 Men's Breakfast Club
April 11 OWGA Portland Golf Club
April 13 Mixed Two Ball at 2:30 PM

April 17 Men's Stag Night
April 27 Mixed Two Ball

The "TOP OF THE MORNING" LUNCHEON AND GOLF EVENT MARCH 11th, which was the official KICK-OFF FOR THE WOMEN's '69 golf season, not only had the "luck of the Irish" going for it, but the ingenuity of two "borrowed Irishwomen", Mrs. Vern Larsen, and Mrs. Edward Nelson, to give it FLAIR AND FLAVOR. More than sixty players with varying degrees of "know how" and a kaleidoscope of brightly colored costumes turned out to

enjoy one of the first sunny Tuesdays of the year. Following a short business meeting and a nine hole "blind partner" tournament, luncheon was served in the trailer club house made festive with shamrocks, daffodils and pussywillows. The COVETED "most improved player" trophy, given yearly by pro Marlow Quick was presented to team captain, Mrs. Lawson Stevenson. Keep it up, Rosemary! Mrs. Richard Paulsen and Mrs. Russel Klock won the partnership golf prize, while special prizes went to Mrs. L. Palmer, Mrs. Russel Klock and Mrs. Walter Ridenour.

Palm Springs has been a "HOME AWAY FROM HOME" for local club members during the month of March. Typical foursome on the La Quinta golf course, made famous by the Bob Hope classic, was: Tom Sandoz, Neil Morfitt, John Gizdavich and Dick Schroeder. The William Manions went so far as to buy a house with golf course adjacent. Mrs. Manion topped it all by winning a local CHAMPIONSHIP which entitled her to play in a BIG NAME TOURNAMENT. Nice Going, Eunie! And how did the Howard Hediger's like the Dessert? They just say "RAIN, MORE RAIN!"

Other "sun seekers" returned to old haunts: The Al Marchands went to Borrego Springs and were visited by the John Rippets; the Zatterlows got their sun tans (and OKE his SIDEBURNS) in Hemet as usual. The Blair Henningsgaards family answered "Hawaii Calls" for spring vacation. The Vic Horgans took off for Carmel-by-the-sea, while the Nick Zafiratos "five" went to Disneyland. The Frank Maizes report that their 42 day stint without light or water hook-up, plus a burrow ride across the Rio Grande made their 9 week trip to Acapulco and waypoints via Air Stream Caravan. AN EXPERIENCE TO REMEMBER!. Enough of that travel stuff! It gives your editor nostalgia--and IDEAS!

CLUB CHIT CHAT:

Has your GOLF EGO suffered a bit of late? That PAR on number FIVE isn't nearly so easy to snag with the TEES BACK into normal position, and the men may not find 15 quite such a snap! Players are commenting FAVORABLY on the rebuilt number 12 tee.

ATTENTION IS CALLED to the decision of the BOARD OF DIRECTORS to put the payment for CLUB STORAGE on a yearly basis beginning July first. This will ELIMINATE the CONFUSION occasioned by refunds or payment exemptions sometimes claimed by members when clubs were not in storage ALL OF THE TIME during the year, explains Alan Arsenault, club manager.

HANDICAPS of women golfers will be computed only for players WHO HAVE JOINED the women's group, unless a request is specifically made to the handicap chairman Mrs. Jack Keeler. Mrs. Keeler points out that non-resident members may have their handicaps recorded by payment of a fee to cover computer costs. Mrs. Keeler says wryly that you can refer to her as the "HANDICAPPED" CHAIRMAN for the next month or so. She turned an ankle at the Oswego Club Opening Golf Event last week, and is confined to her home with a cracked bone. CONDOLENCES, Jan--you'll be missed.

CONGRATULATIONS to the Marlow Quicks on the purchase of a NEW HOME on Smith Lake. Greenskeeper Roy Thompson and his family will occupy the club-owned house--the better to keep an eye on CLUB AND PRO SHOP FACILITIES.

A SHOT IN THE ARM to the Sunday MIXED TWO BALL PROGRAM is news that Mrs. John McGowan and Mrs. Jack Daly, as social co-chairman for the women's group, will take over its PROMOTION, appointing committees for each play, and working out "gimmicks" to build mixed participation the the one Social EVENT possible until the Club House completion.

Have the sun and the many scheduled GOLF EVENTS made you think of trying to IMPROVE YOUR GAME?

Here's advice from a well know golf pro:

"Take a tip from the TV song--

It's not how LONG you drive it,
But HOW you drive it LONG!"

Like TURNING THE CLOCK FORWARD, the Astoria Golf and Country Club is responding to a STEPPED UP PACE. The excavation for the NEW BUILDING isn't just a "hole" any more, but with the poured concrete footings outlining hallways, locker and lounge rooms, it is more like a picture frame for a blown up FLOOR PLAN of the LOWER LEVEL. Women golfers, fresh from their GOLF LESSON SERIES are scurrying out to try their hand, TOURNAMENT EVENTS for both men and women are in full swing, and General Wilson Johnston ("Willie") Chairman for the mid-summer Oregon Coast Tournament is already POUNDING it HOME THAT THERE ARE just 81 DAYS 'TIL THE COAST!

TEMPORARY SET BACK which has already been hurdled has been-with regret-, says he-the RESIGNATION of club manager Alan Arsenault in favor of a more lucrative position in the Tri-City area at Kennewick, Wn. Board Members voiced their DISAPPOINTMENT in losing a man who has done so much to help hold the fort during the Trailer House interim and assist in the NEW CLUB HOUSE planning, but REJOICED that Tom McDonough, former Roseburg Club manager was immediately available to fill the position.

INTRODUCING THE NEW CLUB MANAGER:

That energetic young man-not so young as Alan-whom we see bustling about the hill top premises of the Country Club these days, in the Trailer house, down with the greenskeeper, in the pro shop and talking to the construction men is none other than the NEW CLUB MANAGER busily acquainting himself with the particular problems of his new job. Tom McDonough, when asked if he is Scotch or Irish, slyly regales one with his full name, Thomas Michael Patrick Murphy McDonough (pronounced McDunna) and leaves the deduction up to you. Further, his six month old daughter is named Shannon. Tom comes from the Roseburg Country Club where for two years he assisted in a rebuilding and rehabilitation program which he feels will stand him in good stead with the proposed LOCAL PROGRAM now under way.

CUISINE is dear to Tom's heart since he started his career as a chef and had experience in that capacity at the Canlis restaurants in both Portland and Seattle, and at Bill's Gold Coin. He is proud of his membership in the "Chefs de Cuisine Club", and his eyes shine whenever he discusses the NEW KITCHEN and all its modern Facilities.

Mr. McDonough is an enthusiastic member of the Club Managers of America Assoc. and credits much of his "know how" to the seminars of university level education required by the Association twice a year and to the monthly meetings where individuals compare notes, brush up on techniques and listen to informative lectures. He has had $3\frac{1}{2}$ years of college training at St. Marys in San Francisco.

The McDonoughs live in the Arsenault house across from the Marry Swansons, where Tom's wife, Marita, expects to do a bit of art work--she designs cards and does pen and ink sketches--when she isn't taking care of their "one and only". Tom's aim: "TO MAKE EVERY BODY HAPPY", and promote the FINEST CUISINE this side of the Rockies.

FROM THE MANAGERS DESK!

Greetings from Tom McDonough (pronounced McDunna). It is with great pleasure that I report that the new building is ahead of schedule and that all the decorations have been ordered; with a little bit of luck we will be in by the end of September. So as to let you, the members, know of its progress and to set a little matter straight, the locker rooms will be furnished last, not first as some people thought. There are enough lockers for everyone and will be assigned by lot drawings. In case you did not know it, during the summer months our Temporary Club, namely the Trailer, will be open til 8:00 p.m. each evening. So why not stop by and have a toddy before you head home? We need the business.

JULY 1969

Ferne Morse, Editor

It's "COUNT DOWN" for the ANNUAL OREGON COAST INVITATIONAL scheduled here July 20 thru the 26th, and with the Grand Championship and Junior-Senior niches already filled it bids fair to be one of the MOST POPULAR TOURNAMENTS in its 59 year history, despite the "no-clubhouse" handicap, according to General J. Wilson Johnston, chairman for the event.

Newcomers bringing LOW HANDICAPS are bound to raise the CALIBER of the golf, he points out, and a new star or two, in addition to the REGULARS should produce interesting competition. Of the 96 players in the Grand Champion class, 22 have handicaps of 5 or under, with 14 actually under. Jr.-Sr. have 25 with 8 under, Seniors 13, and Women 7. Don Krieger will play again after several years absence and Cathy Gaughan, OREGON WOMEN'S AMATEUR CHAMPION, will offset the loss of Mary Wolfe, who is in Europe. Molly Cronin will defend her title as will Wimpy Sargent, Jack Koenig and Orson Kelly.

The SNACK TENT will again be in the hands of the WOMEN'S GROUP, with Mrs. Howard Burns, Mrs. Arthur Johanson and Mrs. Harvey Halonen in charge. SOCIAL FUNCTIONS will head-quarter at the Gearhart Motor Inn and Windjammer except for the Women's Luncheon and Bridge which will be at the Surfside, with Mrs. Jay Brown chairman. Altho NIGHTLY cocktail gatherings, dinner and dancing--to The Thiel Trio--will be hosted by APPOINTED COMMITTEES, MEMBERSHIP is urged to participate. Chairman "Willy" reminds all: "It's YOUR SHOW--come join in the fun. The CLUB NEEDS YOU!"

SCHEDULE FOR JULY

- July 1 - Women's Auxilliary Business Meeting
- 6 - Men's Breakfast Club and Tournament
- 11- OWGA Play with home club as host
- 13- Mixed Two Ball, The Reuben Kuratli's and Robert Andersons, hosts.

- 22- Women's Luncheon and Bridge, Surfside, Mrs. Jay Brown, Chairman.
- 29- Qualify Women's Championship, Mrs. T.R. Williams and Mrs. Clayton Morse, co-chairmen
- 31- OWGA, Willamette Valley Country Club

STATEMENT FROM THE BOARD OF DIRECTORS:

"The \$8.00 INCREASE IN DUES which appears on the July statement of both proprietary and non-resident members is not the result of a hasty decision on the part of the BOARD to replenish the CLUB "COFFERS", but is a part of a LONG RANGE PLAN to FINANCE THE NEW BUILDING. Its USE is specifically earmarked for THAT PURPOSE. We thank you for your part in making the BUILDING PROJECT possible."

AND NOW DOWN AT THE CLUB:

CONSTRUCTION on the NEW BUILDING is proceeding on schedule, with EARLY FALL OCCUPANCY a strong PROBABILITY, according to President George Abrahamson, and Building Coordinating chairman, Clayton Morse. Interiors and furnishings have been ordered and are expected to arrive around the first of September. Carpet and fabric swatches, along with a COORDINATED COLOR PLAN are on display at the club house to "up date" members on "what's doing" in that area. Manager Tom McDonough will be glad to furnish other details upon request.

July

A SEE YOURSELF AS OTHERS SEE YOU gimmick on the first tee, at the men's Stag last week added zest--and a few LAUGHS--to their entertainment program. Closed circuit TV enabled a player to watch himself tee off, FOR BETTER or WORSE! A Canadian Open film illustrating the way golf SHOULD BE played, followed.

CONGRATULATIONS ARE IN ORDER for young Tom Kindred, (17) local Junior who has ZOOMED into the golf pictures recently. Not only did Tom win the Junior Championship at Illahee, but he topped it off by taking MEDALIST HONORS for the local CHAMPIONSHIP TOURNAMENT now under way, firing a SIZZLING 67, just three points over Ralph Dichter's course record of 64. (Ralph, by the way, was runner-up in First Flight of the Oregon Amateur Tournament last week. Five local players participated including two Junior members.)

A BUMPER CROP of golfers from the "YOUNG FRY" set will be coming up shortly to judge by the healthy turn-out for Pro Marlow Quick's SUMMER GOLF LESSON SERIES. 65 Juniors, 8 years and up completed the Friday lessons and are ready for SCHEDULED DAY'S PLAY on Monday's thru the months of July and August.

It may be a bit late to: CONGRATULATE Orv Nikula on his HOLE-IN-ONE on the 17th hole early in June. However, as Nick says happily, "THE MEMORY LINGERS ON!"

FELECITATIONS are due the Capt. Ed Quinns and the Howard Burns who came up with the same ROMANTIC plan for celebrating June WEDDING ANNIVERSARIES. Each family, complete with progeny, emplaned for HAWAII to bask in the sunshine of the "Heavenly Isles."

GREENS CHAIRMAN Vern Davis REMARKS that he has observed an unusual number of DIVOTS, as well as cart marks around the greens of late. This may be partially due to the heavy play and unusually wet weather, but he reminds EVERY player to PLEASE replace his DIVOT, and CART DRIVERS to read and OBSERVE the little RED SIGN pasted on the windshield of his cart.

CENTURY CLUB STATUS is just around the corner for members of the WOMEN'S GOLF ORGANIZATION. There are 97 paid up members as of this writing, and at least three more waiting to sign up, according to Team Captain, Mrs. Lawson Stevenson.

MAN'S GAME?
IN THAT VEIN:

When the GOLF BUG first bit, so we learn,
The "SEX ANGLE" caused no concern.
Treat the Scot wore the skirt, and his lady the shirt,
But there never was "HIS DAY" and "HERN".
NOW on MEN'S DAY or WEEK-ENDS 'tis true,
"FEMS are harried by rules--QUITE A FEW!
To tee off by TEN-THIRTY, the dishes GO DIRTY!
What a RACE to keep PACE, but WE DO!

Class B — the Mesdames T. Dichter, A. Johanson, H. Burns

Here's How!

AUGUST 1969

Ferne Mörse, Editor

The "COAST" is OVER, and the COAST IS CLEAR-- clear for HOME GOLFERS, that is! A group of some four hundred golf ENTHUSIASTS, including the 320 man field with attending families and friends, hit the Astoria Golf Club with impact to rival the Moon-walking ASTRONAUTS that MOMENTOUS week-end of July 20th. ALL CAME, many PLAYED, few CONQUERED but all moved on as another SUCCESSFUL Coast Tournament was wrapped up and tucked away under the supervision of Chairman J.W. Johnston and his well staffed committees

Chairman "Willie" characterizes this 59th Tournament as the best of the last THREE, and since he has been chairman for ALL, he should be in a POSITION TO KNOW! He attributes its SUCCESS largely to the TREMENDOUS COMMITTEE and MEMBERSHIP COOPERATION shown throughout, and gives a big "THANK YOU" to the many members who gave up their golf for a week to make the tournament POSSIBLE.

GOLFWISE, HOME CLUB PLAYERS dominated the competition, winning THREE out of a possible FOUR CHAMPIONSHIPS in the Mens Divisions, and placing a FIRST FLIGHT winner, Mrs. Graham Barbey, in the Women's Division. OLD (but ever NEW) are the CONGRADULATIONS to Ralph Dichter for his EIGHTH WIN. Bob Grant's 20th Hole VICTORY to capture the Junior-Senior Championship was a TRIBUTE to his determination, and the General's WIN in the Senior Division, proved without a doubt that he could do TWO JOBS at the SAME TIME and DO THEM BOTH WELL! Other Flight Winners who brought "glory" to the club were Ted Dichter, Harry Swanson and Bill Van Dusen in the Junior-Senior Division.

THE CLUB WELCOMES NEW MEMBERS:

Regular: Orville J. McGunigal, Business Mgr. Clatsop College, Astoria; E.C. Mattson, Portland Auto Glass Co., Donald B. Scallion, Clatsop College, and J.D. Waterhouse, all of Gearhart; D. Raney Munro, Real Estate, Clark C. Munroe, Real Estate, and Donald M. Alexander, Stockbroker, all of Portland

AND NOW DOWN AT THE CLUB

CLUB MEMBERSHIP is UP and still GOING, reports Club Manager, Tom McDonough. The actual count is well beyond the 400 mark and inquiries and recommendations are still coming in. A number of NON-RESIDENT members have also shifted their memberships to REGULAR now that the proximity barrier has been eliminated.

Tom also reports that the BUILDING PROJECT is shaping up as per schedule. Now that the steel roof trusses are in, the rafters and roof will go in place rapidly with complete coverage expected the middle of August

The Women's CHAMPIONSHIP GOLF TOURNAMENT is under way, with two full flights of contestants who will play without strokes. Mrs. Ed Bowers is a recent golf "nugget" transferred from Willamette Valley Country Club, who will add SPARK to this year's play, if not to defending CHAMPION, MRS. GRAHAM BARBEY

Mrs. Joe Bakkensen, one of the newer 18 hole players, surprised her golf mates (as well as herself; she says) by walking off with the GRAND PRIZE offered by Mrs. W.R. McWaters in a special Handicap "JUST-FOR-FUN" Tournament in early July

'TIS A YOUNG MAN'S GAME (this year) to judge by FINALISTS in the men's CHAMPIONSHIP TOURNAMENT scheduled for play this week

August

Jim McNeely won his spurs by defeating Jeff Leinassar, and Ron Weils by closing out the TOUGHEST of them ALL, Coast title winner Ralph Dichter. The ODDS as of this writing, are going up and down like the STOCK MARKET. And by the way, tho Jeff has yet to lay claims to a "hole-in-one", he did drive home an "EAGLE" TWO on the third hole during the Coast Tournament. QUITE A FEAT!

Pro Marlow Quick's GOLF LUCK is on the UPSWING. From a bare taste of "pay dirt" in early summer competition, he plummeted to SECOND SPOT at the Prineville Pro Am. He is presently off to try his TOUCH in the Northwest Open at Inglewood.

Women Golfers Compete Tuesday For Championship

Tuesday marks the final play for the Women's Championship Golf Tournament at the Astoria Golf and Country Club. Promptly at nine o'clock contenders for the championship title will tee off followed by finalists in three other flights.

A consolation tournament for losers, played with handicap strokes is scheduled to follow immediately, after which a "happy hour" along with presentations of prizes will celebrate the winners and console the losers.

In the Championship flight Mrs. Graham Barbey will defend her title against Mrs. Jack Keeler at 9:00; in the First flight, Mrs. Stanley Church will meet Mrs. Russell Klock; in the second, Mrs. Ed Mooney is pitted against Mrs. Jay Hendrickson, and in the third flight, Mrs. Joe Bakkensen is matched against Mrs. Arthur Anderson.

Burns; 9:50—L. Stevenson, Matthews, R. Hendrickson; 9:55—J. Gizdavich, L. Wright and J. Wilfley.

Mrs. Jack Keeler Women's Champ At Country Club

An unexpected turn of events, or possibly just steady shots and a "hot" putter, heralded a new women's champion at the Astoria Golf and Country Club Tuesday, when Mrs. Jack Keeler wrested the championship title from defending champion, Mrs. Graham Barbey in a 3 to 1 victory.

It all started when Mrs. Keeler upset the "touted" winner, Mrs. Ed Bowers Jr., in a semifinal clash Monday. She paired the win Tuesday for the coveted position, with a carded 82 for the play.

In the other flights, Mrs. Russell Klock defeated Mrs. Stanley Church in first flight; Mrs. Jay Hendrickson defeated Mrs. Charles Mooney in second; and Mrs. Joe Bakkensen won from Mrs. Arthur Anderson in third. This was Mrs. Bakkensen's first experience in tournament play, and hence her first taste of winner's glory. Mrs. Frank Maize won the consolation play with a net 72.

A "happy hour" to which all golf members were invited, along with presentation of prizes, followed the final competition. A lack of rain on any of the five scheduled days of tournament play, as well as full participation in both of the 16 member flights, made the tournament one for the record, according to tournament co-chairmen, Mrs. T. R. Williams and Mrs. Clayton Morse.

OCTOBER (and Early Fall) 1969

Ferne Morse, Editor

When OLD MAN WEATHER unexpectedly decided to try for a RAINFALL RECORD last week he literally dropped the CURTAIN ON GOLF ACTIVITIES at the Astoria Golf Club, slowing the Men's Medal Tournament, cancelling two plays on the WOMEN'S FALL HANDICAP and wiping off the slate the Sunday Two Ball Foursome and Barbeque. HOWEVER, the carpenters kept on POUNDING NAILS at the club house, Greenskeeper Roy Thompson SMILED at the return of the GREEN GRASS, and not a few ardent golfers zipped into almost forgotten rain gear and decided to MAKE THE BEST of it.

HEAR YE! Club president George Abrahamson, fresh from a combined golf and pleasure tour in Europe, rubbed elbows with the GOLF GREAT Tuesday when he played in one of the two WINNING PRO-AM FOURSOMES, along with PGA's tour leading money winner, Frank Beard, in the Alcan Tournament of the Year, at the Portland Golf Club. TRUE, amateurs can win no money, but about the FRINGE BENEFITS! Just ask George! Bill Wilcox and Graham Barbey also played with the internationally known Pros, but were not so lucky.

THE NEW BUILDING PROJECT is proceeding smoothly, with only "normal hang-ups" in its completion, according to building contractor Albert Mittet, and Building Committee members. Some delay has been caused by a hold up on the factory delivery of the special glass used for windows. COMPLETION DATE is a "Pick-it-your-self" UNKNOWN, hovering somewhere between Club Manager McDonough's OPTOMISTIC October 29th, and the Daily Astorian's "late December" assumption. President George HOPEFULLY mentions Thanksgiving, but ASSURES ALL: "There'll be a BIG TIME in the NEW CLUB HOUSE come NEW YEARS!"

GOLF CHIT CHAT:

CONTRARY TO RUMOR the FIVE MAN TEAMS entered in the 2nd ANNUAL ASTORIA TEAM PLAY INVITATIONAL the week-end of the 20th DID NOT play in "Fivesomes." Five man teams were invited from clubs throughout the state to compete for prizes based on the combined net of their FOUR lowest scorers. Twenty-five clubs competed, with honors going to the Riverside Country Club, whose Mike Davis was MEDALIST. Astoria's team of Ralph Dichter, Ron Wells, Club Champion Jim McNeely, John Rippet and Jim Kindred failed to capture better than FIFTH PLACE, tho aided by Ron's 147, just two strokes over the medalist's 145.

The INVITATIONAL, which is a revivall of the old Alderwood Club event, was the largest which has been held during the past 15 years. Sunny skies, a well conditioned course and good fellowship contributed to the growing popularity of the event according to pro Marlow Quick. It is an OGA sanctioned Tournament and bids fair to be ANNUAL INSTITUTION here.

THE MEN'S MEDAL TOURNAMENT is under way as of Sept. 6th, with Oct. 12th set as the final date for completing the 54 hole event.

The WOMEN'S FALL HANDICAP TOURNAMENT, twice rained out, has FINAL MATCHES and CONSOLATION slated for Tuesday, weather permitting. 9 hole players are also attempting to finish their TOURNAMENT. MEDALIST for 18 hole players was Mrs. Vic Horgan with a net 69; and for the 9 hole group, Mrs. Eugene Matthews.

CONGRATULATIONS go to Mrs. Jack Keeler and Mrs. John Rippet for winning honors in the Eastern Oregon OWGA Play recently. Mrs. Keeler won 2nd low net in the CHAMPIONSHIP flight at Pendleton, and Mrs. Rippet won the same in her flight at both Pendleton and LaGrande. Mrs. Keeler, by the way, rates FIRST in the CHAMPIONSHIP CLASS in her own club, having won the CONVETED HONOR by defeating defending champion, Mrs. Graham Barbey, in the mid-summer Championship play off. This follwed her defeat of Mrs. Ed Bowers, the club's lowest handicap player, in the semi-finals.

CHEERS for the gallant group of GOLF MOTHERS who through the summer months, tirelessly rounded up, organized and tried to guide the "Young Fry" of the Club to be the golfers of tomorrow. Co-chairmen Mrs. Larry Dean and Mrs. T. Edison, assisted by Mrs. Dennis Thomas, headed this year's group and organized a FINAL TOURNAMENT at the season's close as a reward for efforts. 68 young people turned out for four nine and eighteen holes in competition for both boys and girls and prizes were given for both gross and net scores.

SEASIDERS BEWARE! The DIRECT LINE telephones to be installed in the new building will eliminate the COMMUNICATIONS BARRIER that has sometimes been a problem. The NOMINATING COMMITTEE for the Women's Auxilliary to be announced at the October business meeting will welcome the NEW FIELD of "potentials".

Golfers who proceed with the Sunday BARBEQUE, despite the rain cancelled TWO BALL were enthusiastic about the GET-TOGETHER. The Committee for the FINAL MIXED TWO BALL on the 19th, urge members to turn out "WEATHER OR NO."

ABOUT GOOD GOLFERS, Pro Marlow Quick explains:

The DIFFERENCE between "champions" and "duffers"
Is ACTUALLY very small;
Just that AFTER the "duffer" has HIT his drive,
He is standing TOO CLOSE to the BALL!

Top Flight Golf Played by Woman

Mrs. Ed Bowers, winner of the Oregon Womens Gold Assn. championship played in Portland early last month, traveled to Portland last Friday to accept a personal trophy plus a large sterling punch bowl for the Astoria Golf and Country Club.

Mrs. Bowers shot a two over par 37, on the first nine of the course to win the tournament at the Oswego Lake Country Club.

Mrs. Bowers, who moved to Astoria from Portland just two months ago, is the first woman to win the OWGA Championship from Astoria Golf and Country Club. The championship has been won by Portland golf clubs for the past eight years.

She won the Willamette Valley Club Championship in 1968 in Canby, and started out her golfing experience by winning the Portland City Girls championship in her high school years.

The Bowers are moving this weekend to a home on Cullaby Lake. Bowers is involved in the construction of the condominium near the Gearhart Golf Course.

Mrs. Bowers And Awards

Mrs. Ed Bowers holds the ladle to the lovely sterling silver punch bowl that will be placed in the new Astoria Golf and Country Club clubhouse when it is completed in approximately two months. Mrs. Bowers won the pitcher on the right for her own personal trophy in taking the championship of the Oregon Women's Golf Assn. tournament held in Portland last month, by shooting a two over par 37.

Election and installation of officers will be held for the coming year for the women of the Astoria Golf and Country Club on Tuesday at 1 p.m. at a luncheon in the Trailer Club house.

All members are urged to attend this, the final women's golf event of this season, according to Mrs. McElhany.

Golf, Country Clubhouse Unique in Decor, Style

By BRIDGET COOPER
Daily Astorian Social Editor

The Astoria Golf and Country Club house, open less than a month, is a delight to the eye in gold and orange tones. The clubhouse, for members only, will be dedicated in February or March by Gov. Tom McCall, according to Tom McDonough, manager of the country club.

In the upper right photo an overall view of the bar, lounge and a portion of the dining room areas are shown. The flexibility of the floor plan is demonstrated in the meeting of men in the foreground, near the gas fireplace, a meeting of women in the rear of the room discussing future club activities. They do not disturb the bar area

where Betty Becker, day bartender, chats with a guest. Note the large use of windows overlooking the golf course and carpeting throughout that will cater to golfers' cleats with ease.

Pictured in the lower right photo is the women's lounge in a decor of gold, yellows and oranges. Mrs. L. F. Van Dusen, left and Marjorie Halderman chat in this spacious area.

Mrs. Richard Paulsen, president of the women's organization of the country club, prepares to order from the elegant dinner menu in the clubhouse dining room, in the upper left photo. The formal dining room menu features gourmet dinners for two and offers a wide variety of imported and domestic wines. Chef Dan Sherman, formerly of Roseburg, is a junior member of the Chef de Cuisine. The dining room is open Wednesday through Sunday and the luncheon menu is served Tuesday through Sunday from 11:30 to 3 p.m. The fireplace in the background was designed by Ardena Larson of Astoria and built by a company in Portland who also built the fireplace hood in the ballroom of the clubhouse. Both were designed exclusively for the clubhouse decor.

In the lower left photo, one of the series of chandeliers featured throughout the clubhouse is pictured. This elegant series in gold hangs in the entrance hallway to the upper floor of the building.

The clubhouse, located south of Astoria on Highway 101, cost approximately \$443,000 to build, with \$100,000 being spent on the decor and furnishings, and \$343,000 on the structure itself. The dining room seats 60 people, the lounge seats 120 and the ballroom seats 200. The fully storable dance floor of three square foot sections costs \$3,500 and is constructed of parquet oak hardwood and each section weighs 35 pounds. The floor, stored in an adjacent room when not in use, can be fitted into a 9 by 12 foot or 24 by 24 foot dance floor, depending upon the size needed.

The clubhouse is not quite complete, according to McDonough. There is probably two weeks more work to do before completion, he commented.

The first public affair to be held in the new clubhouse is scheduled for tonight when the annual Astoria Chamber of Commerce banquet will be held in the ballroom.
